

ADVANCE PLANS ON NEW SCHOOL BUILDING HERE

Members of the Gettysburg Joint School Board spent another evening Wednesday with specialists from the Buchart Engineering Corporation of York on plans for the new grade school building.

The directors went over details and made a number of decisions about plans to be submitted to bidders in several months and what items should be bid as "alternate" items to be decided after cost figures are in hand.

The directors spent more than a half hour debating the color of bricks to be used in exterior walls and finally turned the decision over to the Finance and Planning committee.

The Vote On Bricks

Architects had brought sample panels of four shades of red brick and one white brick for the directors' inspection. After a long debate about those colors and the type of brick used in the Keefeauver building, a motion to follow the architects' suggestion on a red and white brick combination drew a 7-7 vote. It was then the board gave up trying for a decision Wednesday night.

All of the samples shown the board ranged from \$42 to \$47 per thousand and were of about the same quality, Harvey Williams, Buchart representative, told the board. He estimated about 200,000 bricks may be used in the new structure.

Wednesday night's special session, called for 7:30 o'clock, was not called to order until 7:55 p.m. at the high school by the president, Dr. R. D. Wickerham, when 16 directors had reached the meeting out of a possible 32. Several others arrived later. The meeting ended shortly after 10:30 o'clock.

Glazed Tiles Considered

The board voted 12 to 4 to spend \$250 to \$300 extra to plaster the health room after Dr. Wickerham said some of the directors "felt a plastered wall there would be more clean and sanitary" than would a painted concrete block wall — the type to be used in most sections of the building.

The directors decided to get cost figures on an alternate basis on using glazed tile on lower sections of corridor walls instead of the painted blocks.

The proposed heating system for the new building was described by a Buchart representative. Each room will have automatic temperature control and the building will be zoned so that parts of it can be heated separately for evening use. Sidewall shelves with sliding doors, to be placed under the windows in (Continued On Page 7)

25 EMMITSBURG PUPILS ATTEND WOOD'S SCHOOL

Twenty-five Sixth graders from Emmitsburg taught by Mrs. Mary Scott on Friday will complete a week's experiment. They are attending a Workshop School at Camp Greentop, west of Thurmont, where they are receiving schooling "in the great outdoors."

The purpose of the encampment is to teach the children how to associate outdoor life and wildlife with the classroom work of their education. The Frederick County Public School System is operating the outdoor school. Jack Burdick is the supervisor. Those children who were unable to make the encampment have been assimilated into other classes at the school so as to not miss any lessons during the week's operation of the workshop.

The board of education is absorbing the greater part of the expenses of the workshop but those children who are attending have each given \$8 to help defray expenses of food and other services.

The Emmitsburg group represented the vanguard of other schools expected to follow and Emmitsburg shares the honor with Thurmont Elementary and the Washington St. School, Frederick, of being selected as the "guinea pigs" of the experiment. The pupils will return Friday afternoon and parents of the participating children are asked to be at their respective schools at 2:15 p.m. to provide transportation home.

Special Studies

The studies include conservation of natural resources, use of maps and compasses, learning skills in outdoor cooking and hiking, study of natural surroundings (birds, animals, trees, etc.), and observation of historical landmarks of the area. Supervisors are being assisted by representatives of the National Park Service, State Forestry Department and the Inland Game and Fish (Continued On Page 13)

Coulson President Of Federated Clubs

Howard E. Coulson, Cashtown, was elected president of the Adams County Federation of Clubs at a meeting Wednesday evening at the Albert J. Lentz American Legion home, Baltimore St.

Coulson, a former treasurer and trustee of the local Eagles lodge, represents the Eagles on the county federation. He succeeds Richard Weaver, McSherrystown, as president.

Other officers named were Donald Willet, McSherrystown Home Association, first vice president; Robert Barnes, Littlestown Eagles, second vice president; Bernard Selby, Littlestown Eagles, secretary; Edward Loeffel, Littlestown Eagles, treasurer; C. Lester Oyer, Gettysburg Moose, sergeant-at-arms and Luther Hankey, Littlestown Eagles, guard.

HEIDI NICKY, CHERRY QUEEN, HURT IN CRASH

Miss Heidi Nicky, 17, Pennsylvania cherry pie queen and a student at Littlestown High School, suffered a cerebral concussion Wednesday night at 10:30 o'clock when a car in which she was an occupant and another vehicle collided in the square at Littlestown.

Brought to the Warner Hospital here in the Littlestown ambulance, Miss Nicky was admitted as a patient after examination disclosed the concussion.

She was the only person injured of the seven in the two autos. An occupant of a car operated by Michael Raymond Knox, Gettysburg R. 2, she was traveling south on N. Queen St. when it collided with an eastbound car entering the square from W. King St.

Cars Badly Damaged

Littlestown Policeman Robert C. Koontz who investigated, said the operator of the eastbound auto, Russell Miller, York, failed to halt for the red blinker light on W. King St. and entered the square. There the southbound Knox auto struck the left front side of the Miller auto.

Damage to both autos was said by police to be extensive, although no estimate of the damage has been obtained.

Knox escaped without injury, police said, as did Miller and the four other occupants of his auto. Miss Nicky, a junior at Littlestown High School, came to America with her family, refugees from Germany, in 1951. Miss Nicky won the Littlestown High School cherry pie title, then won the Adams County and state titles and came out third in the national cherry pie baking contest. Last year she also served as queen of the Adams County Firemen.

NAB FUGITIVE HERE

William F. Johnson was arrested by borough police Wednesday afternoon on a charge of being a fugitive from justice, placed before Justice of the Peace Robert P. Snyder. He was held in jail overnight and returned today to Baltimore authorities. He had escaped September 14 from the Catonsville Hospital in Maryland, and was apprehended at the Pennsylvania State Employment office here.

KELLER LUPP PASSES AWAY

Keller L. Lupp, 68, of Aspers, died at 6:40 o'clock Wednesday evening in the Samuel G. Dixon Hospital South Mountain, of complications. He had been a patient there for 36 days.

The deceased was born near Ardenstville, a son of the late James and Sarah (Ezelhoch) Lupp and always resided in Adams County. For the past 12 years he was employed as a clerk in the state government in Harrisburg. He was a member of the Aspers Fire Co. and captain of its fire police. His wife, the former Miss Emma Hardman, died in 1919.

He is survived by four children: Charles S., Gettysburg; Eugene L., Benderville; Ernest E., in the Air Force in Honolulu, and Mrs. Harry Peters Ottmann R. 1; one brother, Lloyd Lupp, Idaville, and one sister, Miss Viola Lupp, Aspers; 12 grandchildren and two great-grandchildren.

Funeral services Sunday afternoon at 2 o'clock at the Dugan Funeral Home, Benderville, with burial in the Bethel U. B. Cemetery, Center Mills. Rev. Dr. O. D. Coble will officiate.

Friends may call at the funeral home Saturday evening from 7 until 9.

FIREMEN PLAN 4-NIGHT SERIES HERE NEXT WEEK

Plans for a four-night series of special programs next week in observance of Fire Prevention Week were outlined Wednesday evening at a drill and committee meeting of the Gettysburg Fire Department.

The program will be held Monday through Thursday night, from 7 to 9 o'clock each evening, on Lincoln Square.

The southern half of the square will be used by the firemen for displays of equipment and programs and activities in connection with Fire Prevention Week.

"Display Night" Monday

Monday night will be "display night." All equipment of the department will be on display at the square with firemen on hand to give visitors details concerning the various equipment and its use. A program will be held starting about 7:15 o'clock during which Burgess William G. Weaver will tell of the fire department's history and operations and a number of firemen including the fire chiefs will be interviewed concerning phases of fire prevention and fire department procedures. A loud speaking system will be in use each night in connection with the programs. Programs generally will be conducted on the southeast quadrant of the square.

Motion pictures of fire prevention and fire fighting procedures will be shown nightly on the southwest quadrant of the square and there will be a display of pictures of fire department activities near the YWCA building.

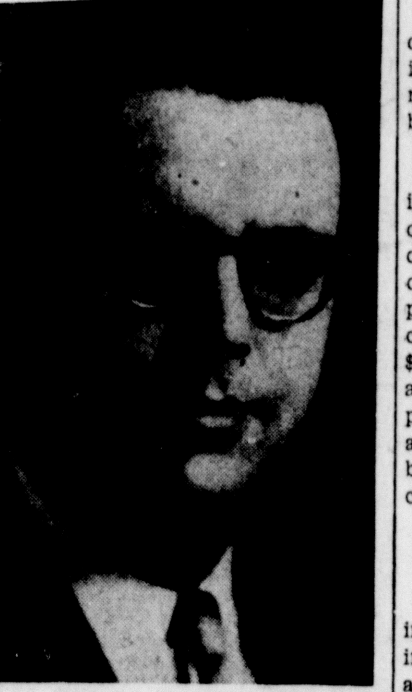

"Demonstration Night"

Tuesday night will be "Demonstration Night" with the firemen putting on a demonstration of various techniques used in fire fighting and life saving.

Wednesday night the firemen ran through the demonstration they will present next Tuesday evening including use of an Akron brass "deluge" nozzle. The portable (Continued On Page 11)

SCHOOL DEAN TO SPEAK HERE

Prof. D. Fenton Adams, assistant dean of the Dickinson School of Law, Carlisle, will speak at a meeting of the Gettysburg College chapter of American Association of University Professors on October 15.

PROFESSOR ADAMS

He will talk on the problem of training in the liberal arts college for professional and graduate work.

Prof. Adams, a native of Reading, was graduated from Dickinson College in 1947 and received his LL.B. degree from the Dickinson School of Law in 1949. He served in the U.S. Army during 1943-44. After his admittance to the Bar County Bar, he joined the law school faculty in 1949. In 1952 he was appointed assistant to the dean and has since served in that capacity, except for two years when he was acting dean.

At the present time he is teaching bills and notes, contracts and insurance.

Exchange Student On WGET Tonight

Dietz Barowski, young German student who is attending Gettysburg High School this year, will be interviewed this evening at 7:15 o'clock over WGET in the opening program of the series conducted by the Gettysburg Branch of the American Association of University Women.

Mrs. William M. Lott, Gardner R. D., a former member of the staff of radio station WHCU, the Cornell University station at Ithaca, N. Y., will conduct the interview. Mrs. S. Blaine Miller, his hostess while he is here, and Miss Ruth McIlhenny, last year's high school student council adviser, will take part.

Monday afternoon at 1 the "Book Parade" sponsored by the AAUW will begin its season over WGET with Mrs. M. O. Ritter reviewing "Profiles in Courage" by Senator John S. Kennedy.

President Says Faubus Is "Mistaken Man Doing City And State A Disservice"

By DOUGLAS B. CORNELL
WASHINGTON (AP) — President Eisenhower described Gov. Orval Faubus of Arkansas today as a mistaken man doing a disservice to his city and state. The President also said he sees two avenues of hope for pulling troops out of Little Rock.

In response to news conference questions, Eisenhower said two different situations could justify withdrawal of the troops now being used to enforce racial integration at Little Rock's Central High.

1. The giving of unequivocal assurances that the U. S. District Court integration order will not be obstructed and that peace and order will be maintained.

2. An actual, factual development of peaceful conditions to the extent that local police could control the situation.

Eisenhower noted further that a committee of four Southern governors still is seeking a solution.

The integration-troops issue was the dominating subject at the President's news conference. Only now and then did questions and answers diverge to other subjects.

One reporter asked whether Eisenhower feels that Faubus "really wants to put an end to the problem in Little Rock."

The President said he wouldn't want to answer that as he never tries to interpret motives of people.

"INEFFICIENCY" OF DEMOCRATS HIT BY HELM

W. Stuart Helm, speaker of the House in the Pennsylvania legislature, held Wednesday night that if the "Leader administration does not have sufficient money to carry on the work of the state it is due to the inefficiency of the Democratic administration."

Speaking at an Adams County Republican Rally at Littlestown, P. O. S. of A. Hall, Helm told 200 Republicans: "Governor Leader received for his current budget \$448,000,000 more than any other governor of Pennsylvania ever received yet he tells the public the Republicans cut the budget."

"Why do we hear cries of budget cuts? The answer to this is the inefficiency of the Democratic administration and the misuse of budget appropriations."

"Possibly Next Governor"

"An example of that inefficiency is to be found in a comparison of one salary. The former Republican Secretary of Highways received a salary of \$12,500, compared to present when the Democratic secretary of Highways gets \$20,000, and in addition there is an assistant secretary receiving \$5,000 per year. The Democrats willingly admit that the secretary was hired because he was a politician and can handle the politics of the department." (Continued On Page 8)

ARRESTED AND JAILED

Preston Clouse, 38, of 236 S. Washington St., was arrested this morning by Constable Fred Swisher on a warrant charging desertion and non-support. Brought before Justice of the Peace John H. Baschore he was placed in jail in default of \$1,000 bail.

75 White Students Walk Out At Little Rock Today In Mass Protest Against Integration

LITTLE ROCK, Ark. (AP)—About 75 white students walked out of Central High School classes today in what was scheduled as a mass protest against racial integration within the school.

The white boys and girls began straggling from the main entrance of the building within moments after the 9 a.m. change-of-classes bell rang.

They walked quietly across the campus and massed on the curbing across from the building.

There they called to other students peering from the windows and doorways to join them.

Threat Of Suspension

"Come on, you chickens," the demonstrating students shouted. "Dirty chickens," they yelled.

The students reportedly had been threatened with suspension if they took part in the demonstration. One brunette girl ran from the building and joined the demonstrating group. Almost in tears, she said: "I couldn't get anyone else. They won't come out. I am so ashamed I could scream."

Another girl said many of her fellow students assured her, "We'll go. We'll go." But then they refused to walk out on the signal.

Discouraged By Principal

The first student demonstrator out of the school identified himself as Bill Davis, an 18-year-old senior.

Some of the demonstrating girls said the presence of the principal, standing inside the main entrance, discouraged many of the white students from leaving.

The same girls said their own parents had supported their plan to join the walkout.

The teen-agers said their parents had told them that if enough joined the walkout it would be impossible to discipline them. They conceded the demonstration was a failure and that they probably would be punished.

sons with whom he disagrees. He said he simply believes that Faubus is mistaken in what he is doing and is doing a disservice to his city and his state.

Eisenhower declined to go beyond the Little Rock crisis to say whether his public pledges to support all measures necessary to uphold the courts meant that he would use troops to enforce integration elsewhere.

Deplores Use Of Troops

He said he didn't want to get into hypothetical questions, and let it be cut below 38 billion dollars.

EMMITSBURG'S ELIAS LUTHERAN 200 YEARS OLD

Many preparations have been made for the observance of the 200th anniversary of the historic Elias Evangelical Lutheran Church of Emmitsburg which will open Sunday morning with a communion service at 10:30 o'clock. Four special services will be held in observance of the church's bicentennial.

Elias Lutheran congregation dates back beyond the Declaration of Independence, the establishment of the state of Maryland or the founding of the town in which it stands.

The stone church edifice and tower, erected in 1797, still stands. The church building was enlarged in 1835 and the vestibule was added in 1870. The two-story 70 x 50-foot parish house of corresponding stone was built in 1930.

Many Improvements Made

The church tower recently was restored and repaired and the church was completely replastered and re-lighted with ceiling indirect and cool lights.

The choir loft was extended six feet and the organ console relocated.

The church was enlarged and the entire altar area was refinished. The floor and pews were refinished and the church carpeted. Over an acre of land was purchased, adjacent to the church for parking and additional cemetery space.

Memorial stone piers recently replaced the old fence in front of the church and parish house.

Program preparations for the celebration of the Two Hundredth Anniversary were started a year ago (Continued On Page 11)

Three Building Permits Issued

Burgess William G. Weaver has granted the following building permits:

Edmund W. Thomas, 131 W. Lincoln Ave., for construction of a brick and frame addition and carport at a cost of \$2,500.

A. B. Seifert, York, for construction of a 10 by 10 frame shed on the Gettysburg College campus for \$100.

Thomas Tawney for repairs to steps at 342-344 W. Middle St.

BIRTH ANNOUNCEMENTS

At Warner Hospital
Mr. and Mrs. Ivan Bollinger, R. 5, daughter, today.

At Carlisle Hospital
Mr. and Mrs. Harold Weigle, York Springs R. 1, daughter, Tuesday.

PARADE PLANS FOR OCT. 30TH ARE ADVANCED

Additional plans for the Halloween parade here October 30 and for the window painting contest October 27 were outlined Wednesday evening at a meeting of the Gettysburg Association of Clubs, sponsors of the community Halloween activities.

Irvin Sellhamer, governor of the Moose lodge here and president of the Association of Clubs, presided at the meeting in the Veterans of Foreign Wars home, E. Middle St.

The parade will form on Springs Ave. and the Gettysburg Shopping Center parking lot, West St., at 6:30 p.m. Wednesday, October 30.

Parade At 7

At 7 o'clock the parade will move east on Chambersburg St. to Lincoln Square, then south on Baltimore St. to W. Middle, then west on W. Middle to the point of formation.

Judging of bands, floats, marching units, etc. will take place on Lincoln Square as the parade rounds the southwest quadrant of the square. A total of \$950 in awards will be decided at that time.

Fifty silver dollar prizes will be awarded to costumed individuals, with that judging to take place over the entire route of the parade and distribution of the silver dollar awards to take place as the parade moves west on Middle St. Because of the large number of individual entries it is believed that such a procedure will permit the judges to see the entire group over its route before making the awards near the end of the parade.

Meet Again Oct. 16

A committee comprising John Toggas, Robert Neary, Raymond Menges and C. David McCullough will arrange for the window painting program for school youngsters to be held on Saturday, October 26.

Rain dates have been announced as October 31 for the parade and October 28 for the window painting.

The committees in charge will meet October 16 to complete arrangements for the Halloween programs.

SHRINERS HOLD LADIES' NIGHT

The annual Adams County Shrine Club Ladies' Night dinner will be held in the Hotel Gettysburg this evening. Approximately 250 Shriners and their wives are expected to attend.

Attorney F. Joseph Donohue, of Washington, campaign manager for Senator Estes Keefeauver in his (Continued On Page 11)

ENTER GRID CONTEST NOW

If you have not made your selections of this week's football games' winners, you have until 5 p.m. Friday in which to do so in order to participate in the first of the weekly football contests this season.

All you need do is select the teams you believe will win this weekend. Secure an entry blank from any of the 20 participating merchants, fill it out and deliver it or mail to the Gettysburg Times so that it is received not later than 5 p.m. Friday.

Three merchandise certificates will be awarded each week.

Watch for the full page advertisement each Tuesday.

The list of cooperating merchants from whom entry blanks may be obtained includes:

Adams County Electric Appliance Company, Bankert's Restaurant, Blue Ridge Oil Company, Bookmart, Co-Ed Shop, Gettysburg Motor Club, Gettysburg News and Sporting Goods, Gilbert's Food Market in Biglerville, Hershey's Men's Shop, Loyal Order of Moose, Miller and Rose Garage, Shryock's T.V. Service, Simpson Machine & Welding Company, Swope's Atlantic Service Station, Towne Restaurant, Warren Chevrolet and Buick Sales, Weishaar Brothers, Wentz's Furniture, Wolf's Pastry Shop, George M. Zering.

BURY MRS. HUMMER

Funeral services for Mrs. Grace E. Hummer, 69, who died Monday evening of the home of her son-in-law and daughter, Mr. and Mrs. Clarence A. Swisher, Gettysburg R. 3, were held this morning at 10 o'clock at the Bender Funeral Home with the Rev. Mahlon E. Clark officiating. Interment was in the Mummaburg Mennonite Cemetery. The pallbearers were Jay Swisher, George Kinley, Frederick Plank and Arnold Woerner.

ORPHANAGE GETS \$100

The Hoffman Orphanage, near Littlestown, will receive \$100 from the estate of William Dietz, late of York County, which was adjudicated Wednesday in York.

To Present Charter To Scout Troop 79

A combined charter presentation night-parents' night program will be held at St. James Lutheran Church this evening at 8 o'clock by Cub Pack, Boy Scout Troop and Explorer Post 79.

Paul Bricker, chairman of the committee, will be in general charge of the program. Among those participating in the presentation of the charters will be Allen Dubbs, neighborhood commissioner for the units; Scout Field Executive Stanley C. Rogers, Rev. Dr. Paul L. Reaser, pastor of St. James Lutheran Church, and Rev. John Bishop, assistant pastor.

Members of the scout units will present a number of skits during the program and awards will be made.

4 WILL ATTEND CANCER SCHOOL IN PITTSBURGH

Dr. Bruce N. Wolff has been named to represent the Adams County Medical Society at the thirtieth annual meeting and training school of the Pennsylvania Division of the American Cancer Society in Pittsburgh on Friday, Saturday and Sunday, it was announced today by Sterling Musselman, president of the local group.

The Adams County unit of the society will be represented by Donald Rohrbach, 1958 campaign chairman; Mrs. Henrietta H. Blocher, executive director, and Mrs. Richard C. Lighter, secretary of the tumor clinic.

The will attend group sessions on the program of the American Cancer Society, the annual dinner meeting, and the closing general session Sunday morning when Dr. Robert J. Sampa of Madison, Wis., will speak.

Dr. Wolff and Mr. Rohrbach will attend the meeting of members as official delegates from Adams County and vote on new members to the state board of directors.

Theme of the meeting is "a better year-round program for more effective cancer control."

Cancer Institute

Highlight of the meeting will be a one-day professional cancer institute on Saturday. Four papers will be presented on management of the cancer patient after definitive treatment.

Dr. Amedeo S. Marrazzi, Veterans Hospital, Pittsburgh, will speak on palliative drugs in the control of cancer symptoms.

The practitioner's role in the psychological adjustment of the cancer patient will be discussed by Dr. Arthur M. Sutherland, Memorial Center for Cancer and Allied Diseases, New York City.

Dr. Jay Silverberg, Pittsburgh, will speak on maintenance of the leukemia patient.

Realistic concepts in the management of the cancer patient is the topic chosen by Dr. James Bloom, Harrisburg Hospital, Harrisburg.

An added feature of this year's annual meeting will be the showing of professional cancer films Friday afternoon and Saturday.

Saturday evening, Dr. John Wesley Shriver of Pittsburgh, president of the Medical Society of the State of Pennsylvania, will deliver the main address at the annual dinner meeting. He will speak on care of the long-term cancer patient.

ENTER GRID CONTEST NOW

If you have not made your selections of this week's football games' winners, you have until 5 p.m. Friday in which to do so in order to participate in the first of the weekly football contests this season.

All you need do is select the teams you believe will win this weekend. Secure an entry blank from any of the 20 participating merchants, fill it out and deliver it or mail to the Gettysburg Times so that it is received not later than 5 p.m. Friday.

Three merchandise certificates will be awarded each week.

Watch for the full page advertisement each Tuesday.

The list of cooperating merchants from whom entry blanks may be obtained includes:

Adams County Electric Appliance Company, Bankert's Restaurant, Blue Ridge Oil Company, Bookmart, Co-Ed Shop, Gettysburg Motor Club, Gettysburg News and Sporting Goods, Gilbert's Food Market in Biglerville, Hershey's Men's Shop, Loyal Order of Moose, Miller and Rose Garage, Shryock's T.V. Service, Simpson Machine & Welding Company, Swope's Atlantic Service Station, Towne Restaurant, Warren Chevrolet and Buick Sales, Weishaar Brothers, Wentz's Furniture, Wolf's Pastry Shop, George M. Zering.

Harvey F. Miller Dies Today At 77

Harvey F. Miller, 77, lifelong resident of the Ardenstville community, died at 4:50 o'clock this morning in Cumberland Twp. from complications after an illness of 13 weeks. He had engaged in farm work most of his life.

Mr. Miller, who was unmarried, was a son of the late Henry F. and Caroline (Weigle) Miller. He was a member of the Ardenstville Lutheran Church.

Surviving are three sisters: Mrs. Minnie Swisher, Hanover; Mrs. Elsie Plank, McKnightstown, and Mrs. Roy Rummel, Aspers, and a number of nieces and nephews.

Funeral services at the Bender Funeral Home Saturday afternoon at 2 o'clock with the Rev. Robert K. Shaul, his pastor, officiating. Interment in Greenmount Cemetery, Ardenstville. Friends may visit the Bender Funeral Home Friday evening from 7 to 9 o'clock.

Anna Bierer Specialty Shop will be closed from 6 p.m. Friday, Oct. 4, to 6 p.m. Saturday, Oct. 5, in observance of holidays.

ROBERT I. JONES OF YORK KILLED IN AUTO CRASH

Robert I. Jones Jr., 29, York, was fatally injured Wednesday night at 8:20 o'clock when his car collided with a tractor-trailer 2½ miles north of York Springs on the Carlisle Rd.

State police said Jones was traveling south in a 1957 sedan when his auto suddenly swerved across the highway and crashed head-on into a northbound tractor-trailer operated by Floyd O. Pitttry, 37, Knobsville, Pa.

Jones was listed as dead on arrival at the Carlisle Hospital ten minutes later. He was reported to have suffered a fractured skull, broken nose and crushed chest in the accident.

Auto Demolished

The auto was reported demolished and police said there was extensive damage to the tractor-trailer.

Jones was a salesman of the Kane Keene Co., returning to York from a service call in Carlisle in a company owned auto. He was a native of Chicago and is survived by his wife, Mrs. Anne Jones, York, and a daughter, Linda, at home.

The body was removed from the hospital to the Erving Brothers Funeral Home, Carlisle, for shipment to the Phillips Undertaking Parlor, S. Michigan Ave., Chicago.

Both men were alone in the vehicles when the crash occurred. Pitttry was not reported as injured.

BOY SCOUTS TO HOLD CAMPOREE NOVEMBER 1-3

Plans for a Black Walnut Boy Scout District Camporee November 1, 2 and 3 at Benderville, approval of advancement of two scouts to Star rank and presentation of a training certificate to District Organization and Extension Chairman William E. Kershner were among matters before the Black Walnut Boy Scout District Committee at its meeting Wednesday evening in the engine house, E. Middle St.

Michael Farrell, son of Mr. and Mrs. Timothy E. Farrell, Gettysburg R. 4, and Donald L. Storm, son of Mr. and Mrs. Robert F. Storm, Gettysburg R. 5, were approved for Star Scout rank at the district board of review at the engine house Wednesday evening preceding the district meeting.

Both From Troop 77

Dr. Frank N. Hewelson, district advancement chairman, reported that both youths are members of Troop 77, Bonneville, a unit established about a year ago, and are the first members of that troop to earn Star rank.

Donald Carver, of the camping and activities committee, said the District Camporee will begin at 5 p.m. on November 1 and conclude at 3:30 p.m. on November 3. It will be held at the Benderville firemen's grounds. A nature course is scheduled

LOWER ADAMS TEACHERS WILL GET FLU SHOTS

Lower Adams Joint School System teachers will be given Asian flu vaccine shots next week, the Lower Adams joint board decided Wednesday evening at a meeting in New Oxford.

The board also decided that when the flu shots are available in quantity they will be given to the children in the schools.

President Clyde O. Garber presided at the meeting. The board voted to name physicians and dentists to serve the two parochial schools within the boundaries of the Lower Adams joint system. Senate Bill 188, effective this fall, requires the school systems to name such medical and dental examiners for the parochial school children. The school board pays the examiners and is in turn reimbursed by the state for the service, the board was told.

Vote Library \$200

Dr. Wilbur H. Miller, physician and Dr. Karl S. Hoffmeister, dentist, were named to serve the Immaculate Conception Catholic school at New Oxford. Dr. Harrison P. Harbach, physician, and Dr. Joseph H. Riley, dentist, both of Gettysburg, were named to serve St. Joseph's Catholic School, Bonneauville.

Mrs. Nellie Sanders was named janitor for the three-room elementary school at Abbotstown at a salary of \$40 per month for the remaining eight months of the school year. Bills totaling \$31,946.81, including supplies for the year were approved for payment.

The property committee reported that buildings on the Milhimes property recently purchased by the school system will be put up for public sale "as soon as details can be worked out."

A \$200 donation to the Adams County Free Library was voted. Supervising Principal Charles Taylor reported to the board that the school children, especially the elementary school children, made extensive use of the library books.

2 Teachers Home From European Trip

Two Adams County school teachers who spent four months touring the British Isles and the Continent returned to their classrooms on Tuesday.

They are Miss Alice M. Snyder, Junior High English teacher here, and Miss Leora Held, English teacher at Littlestown High School. They returned home Monday evening after visiting England, Ireland, Scotland, Wales, Italy, Austria, Germany, Switzerland, France and Belgium. They left Gettysburg June 1 to begin their journey. Both ocean crossings were made aboard the S.S. United States.

Will Observe Rally Day On Sunday

The Mt. Olivet Church of The United Brethren will observe Rally Day in the Sunday School Sunday at 9:30 a.m. The Rev. Arthur Pilgrim, superintendent of The Piney Mountain Home, will be the speaker for the occasion. In the regular hour of worship services the Holy Communion will be observed.

There will also be a week of Bible Study starting Monday at 7:00 p.m. in the church. The Rev. Ezra Funk, Greenville, will be the teacher and the Epistle of the Philippians will be the text book for the course. The public is invited to these services.

Airman Is Injured In Auto Accident

Airman First Class William L. Mortensen, 21, son of the Rev. Dr. and Mrs. L. C. Mortensen, Harrisburg, is hospitalized at Lackland Air Force Base Hospital San Antonio, Tex., with injuries suffered in an automobile accident.

Mrs. Mortensen said it will be about six weeks before he can be transferred to a hospital closer to home. Mrs. Mortensen is the former Ruth Meals of Gettysburg.

Mortensen, whose address is Ward A 15, P.O. Box 1559 at the hospital, suffered a broken neck and other injuries in a two-car crash near Victoria, Tex.

Jaycee President Going To Hanover

Charles Shearer, national president of the Junior Chamber of Commerce, will attend a dinner-meeting November 18, at 7:30 p.m. at the Hanover Moose home.

The Hanover Jaycees will be host to representatives from the 25 chapters in Zone 5 and members of nearby Maryland chapters.

A native of Shelbyville, Ind., Shearer was elected national president at the convention last June in Milwaukee, Wis. He lives with his wife and family at the organization's "white house" in Tulsa, Okla.

FILE SORENSON WILL

The will of Olaf Sorenson, late of Orrtanna R. 1, who died September 3 at the Warner Hospital, has been entered for probate at the office of the county register and recorder. Katharine Sorenson, Orrtanna R. 1, is executrix of the \$500 estate.

SEE TABULATION ON PAGE 1

Social Happenings

For Social News Phone Gettysburg 1248 or 640

Circle Three of the United Lutheran Church Women of Christ Church will hold its first meeting of the season at the home of Mrs. Charles H. Smith, 145 W. Broadway. Serving with her as co-hostess will be Mrs. Stanley Hoffman. Mrs. F. H. Attinger will lead devotions. The circle chairman is Mrs. Alfred E. B. Jones Jr.

Seventy members attended the October meeting of the Women's Christian Fellowship Wednesday evening at the Presbyterian Church with the president, Mrs. C. H. Johnson, presiding. Devotions were led by Mrs. Daniel Paddock.

Final plans were announced for the WCF rummage sale to be held October 11 from 9 a.m. to 9 p.m. and October 12 from 9 a.m. until noon in the church basement. Donations of rummage may be taken to the church Sunday or up until Thursday of next week.

Plans were made for several members to attend the Presbyterian meeting at Loydsville today.

A playlet, "A Piece of Pink Paper," was presented telling the importance of the annual goal sheet. The following took part: Mrs. Paul Grove, Mrs. John Lott, Mrs. Kenneth Fair, Carolyn Ketterman, Mrs. George Ewing, Mrs. John O'Brien, Mrs. W. L. Johnson and Mrs. Paul MacDonald. There were two solos, "Thanks Be to God" and "Mighty Like a Rose," by Paul W. Grove, accompanied by Mrs. Clarence Bartholomew. A social hour followed the meeting with members of Circle 3 serving as hostesses.

Mr. and Mrs. Walter Coester, Mrs. Donald Coester and children, of Camden, N. J., were recent guests of Mr. and Mrs. Harry Mumper, Gettysburg R. 2.

The Acorn Club met Wednesday evening at the home of Mrs. Milo Diehl, McKnightstown. The next meeting will be at the home of Miss Esther Hartman, 108 W. Middle St. on October 23.

Mr. and Mrs. Ray Gardner, Dixon, Ill., are visiting relatives in this area.

Mr. and Mrs. Carl E. Oyler have returned to their home on York St. after spending some time with their daughter, Miss Doris Patricia Oyler, who is a teacher in the Harding High School at Fairport Harbor, Ohio.

Mr. and Mrs. Robert O'Brien and Daughters, Ann, Carolyn, and Eileen, Landisville, Pa., visited recently with Mrs. O'Brien's parents, Mr. and Mrs. Richard Cole, E. Stevens St.

All members are urged to attend the "Reception for New Mothers" being held tonight in Xavier Hall at eight o'clock in connection with the regular meeting of the Mother's Club of St. Francis Xavier's School. A surprise comic program has been planned.

The Harrisburg Road Homemakers Club met Wednesday afternoon at the home of Mrs. Earl Guise, Gettysburg R. 4, with 27 members present. Co-hostesses were Mrs. Mary Guise and Mrs. Cora Guise. The leader is Mrs. Herbert Zepp and assistant leader, Mrs. Pauline Crouse.

The Gettysburg Photographic Society will meet Friday evening at 8:00 o'clock in the REA building near North Stratton St.

Circle Three of Christ Lutheran Church will meet Monday evening at 8 o'clock with Mrs. Charles Smith, Baltimore St.

A special business meeting will be held this evening at 8 o'clock in Xavier Hall by the troop committee of Boy Scout troop 78. All members are urged to be present.

The Altar Society of St. Francis Xavier Church will hold a big party in Xavier Hall on Friday. The public is invited.

The regular meeting of Brownie troop 25 of St. Francis Xavier School was held Wednesday afternoon. The twenty-nine members present accompanied by their leader, Mrs. Charles Dick, and assistant leaders, Mrs. Paul B. Ramer and Mrs. Robert Oyler, hiked to the National Museum where they viewed a showing on the electrical map. Plans were made for a wienner roast to be held at Camp Happy Valley on October 12.

Senior Girl Scout Troop 21 will meet this evening at 6:30 o'clock in the Girl Scout office. Leader Marian Shears today urged all members to be present. Officers will be elected.

DO... know that aluminum paint gives the surface of the material to which it is applied a good barrier against moisture and fumes because its tiny flakes form a continuous layer of metal.

DO... select from one of three basic types of aluminum paint for metal and masonry; for the exterior of a wooden structure; and for either wood or metal indoor surfaces.

DO... when aluminum paint is used as a primer on wood, brush it on rather than spray it for best results.

WOMAN OWNER SOLD ST. LOUIS FOR \$375,000

COOPERSTOWN, N. Y. (AP) — A tall and slender visitor walked over to Baseball Hall of Fame Director Sid C. Keener and shook his hand. "I'm Frank Britton," said the visitor. "It's been 40-odd years since we first met in St. Louis."

Keener was caught off guard until Britton identified himself as the son of the first woman to own a major league baseball team.

Britton and Keener then traveled down memory lane and the former explained how his mother became owner of the St. Louis Cardinals.

Attended All Meetings In 1899 the Cleveland Spiders and the St. Louis Cardinals swapped National League franchises. The Spiders were owned by Britton's grandfather, Frank deHaas Robison. When he died in 1908, a brother, Matthew Stanley, inherited the Cardinals. When Stanley died in 1911, Mrs. Frank deHaas Robison

was the owner. She sold the franchise and real estate for \$375,000 to a group of St. Louisans in 1917.

In March of 1953 August A. Busch, Jr. paid \$3,750,000 for the Cardinal franchise, minus real estate.

Britton fell heir to the franchise. During her ownership, Mrs. Britton attended all National League meetings.

She released Roger Bresnahan as player-manager on October 12, 1912, after having signed him to a five-year contract. After an adjustment was made for the unexpired term, Bresnahan signed as a catcher with the Cubs.

Soon after that Mrs. Britton's attorney, James C. Jones, insisted that baseball was too technical and

too involved for a woman. She sold the franchise and real estate for \$375,000 to a group of St. Louisans in 1917.

In March of 1953 August A. Busch, Jr. paid \$3,750,000 for the Cardinal franchise, minus real estate.

Wedding

Kint-Heller

Miss Miriam G. Heller, daughter of Mr. and Mrs. Leroy W. Heller, Mechanicsburg R. 3, and Joseph L. Kint, son of Mr. and Mrs. Arthur Kint, Mechanicsburg, were united in marriage last Saturday at 11 a.m. in Bethlehem Lutheran Church, Benderville, by the pastor, the Rev. Dr. O. D. Coble.

Miss Ann Shelley, Mechanicsburg R. 3, and Boyd Myers, Mechanicsburg, were the attendants.

The bride is employed by Rakestraw's Dairy Products Inc., Mechanicsburg, and the bridegroom is serving aboard the USS Mineral County at Norfolk, Va. The couple will reside temporarily with the bride's parents.

The bride's parents were married 30 years ago by Dr. Coble. A sister and two brothers were also married by Dr. Coble.

Britton fell heir to the franchise. During her ownership, Mrs. Britton attended all National League meetings.

She released Roger Bresnahan as player-manager on October 12, 1912, after having signed him to a five-year contract. After an adjustment was made for the unexpired term, Bresnahan signed as a catcher with the Cubs.

with Mrs. John Lawver in charge. During the business meeting, it was stressed that the Garden Club has flower arranging caletars for sale.

Preparatory service and Holy Communion will be held at St. Paul's Lutheran Church, Biglerville, Friday evening at 8 o'clock, and Sunday morning at 9:30 o'clock.

Worldwide Holy Communion will be observed at Mt. Tabor EUB Church, Gardners R. 2, Sunday morning at 9:30 o'clock.

During the Holy Communion service at Cline's EUB Church last Sunday, Deborah Jean Barbour, infant daughter of Mr. and Mrs. Guy Barbour, Gardners R. 2, was baptized by the pastor, the Rev. Martin H. Lauver.

The United Lutheran Church Women of St. Paul's Lutheran Church, Biglerville, will hold their October meeting Sunday evening, instead of Friday evening, at 8 o'clock at the parsonage.

The Rev. Norman L. Marden, pastor of the Benderville Methodist Church, was guest minister at the Wesley Methodist Church, Altoona, Sunday morning. He also spoke at the 17th anniversary of the Asbury Methodist Church, Altoona, Sunday afternoon. Mrs. Marden and their children accompanied him.

The Youth Fellowship of the Benderville Methodist Church will go for a hay ride Friday evening. Members will leave from the church.

The Woman's Society of Christian Service of the Orrtanna Methodist Church will meet this evening at 7:30 o'clock at the church hall.

The Ambassador Sunday School Class of St. Paul's Lutheran Church, Biglerville, will take the guests at the Adams County Home for a pleasure ride through the country side Sunday afternoon. Each of the 65 guests at the home will be given a bag of homemade cookies. Members of the class are asked to deliver their cookies to Mrs. C. William Harbaugh by Saturday evening.

Mrs. Ted F. Schulte and children, Douglas and Denise, Bloomfield, N. J., are spending a week with Mr. and Mrs. Harold S. Oliver, Benderville.

Mr.

20 ALUMNAE OF ST. JOSEPH TO ATTEND SESSION

Twenty alumnae representing their respective chapters are expected at Saint Joseph College, Emmitsburg, this weekend to attend a workshop to prepare them to represent the college at public relations programs held in their areas.

The program will cover all phases of college life so that the alumnae will acquire complete information regarding their alma mater and its policies. Following the opening meeting with Sister Hilda, president, the delegates will meet with Sister Marie Therese, director of admissions, who will explain the college's admission policies and will give information concerning scholarship offerings.

Instructive Program
Following luncheon, Sister Rosemary, dean of studies, with the heads of departments will meet the alumnae and present curriculum and career opportunities. Later in the afternoon Sister Mary Ellen, dean of students, with the campus co-curricular program.

A tour of the campus is included in the day's program and in the evening the alumnae will attend the St. Joseph's-Mt. Saint Mary's social in the Student Center. Sunday's program will acquaint the alumnae with possible public relations and recruitment activities for their chapters. Baltimore, Washington, Philadelphia, New Jersey, Syracuse, Central Pennsylvania and Richmond are among the areas which have already sent in names of alumnae to represent them.

The workshop is the result of the Alumnae Association's wish to assist the college in its recruitment program.

Plan "All Western" Horse Show Sunday

The South Mountain Riders Club has announced the "first all-western horse show" in Adams County to be held Sunday at the South Mountain Fairgrounds, beginning at 12 o'clock noon.

There will be timed events, Western store and other novelty classes and a call roping exhibition. There will be cash, points, trophies and championship ribbons for the winners. Advance announcements of the show describe it as a "recognized, registered point show" with equal classes for all non-registered stock.

In connection with the show, the riding club has announced a "Camp-ette" for Saturday evening from 7 o'clock until midnight at the fairgrounds. There will be western music, dancing and refreshments for exhibitors. Stable space will be available for exhibitors' horses. The charge of the "Camp-ette" will be \$1 for adults and 50 cents for children.

HOLD WENTZ REUNION

The descendants of David C. and Mary Ellen Wentz held a reunion recently at the Salem U.B. Church. Miss Beulah Wentz, East Berlin, was chairman of the committee on arrangements. She also presided at the meeting and gave some historical facts about the Wentz family. Mrs. Vertie Herman, the only living direct descendant, was presented with a planter.

Mr. and Mrs. Frank Zepp, Hillside, N. J., came the longest distance. The Rev. Ruth McDannel led the devotions after which there was a hymn sing.

Reminiscences, lead by James McDannel, proved to be a very interesting part of the program when members of the family gave childhood experiences at the home of their grandparents, David C. and Mary E. Wentz. The old homestead may be seen from the church where the get-together was held. Mr. McDannel stated that the old homestead together with the adjoining farm was owned by David Wentz for many years, and after the children had started out for themselves, at the age of 72, he moved back to the "big farm" and did the farming.

Mrs. Elsie Irvin read a letter from relatives in Minnesota. The business meeting was conducted by David McDannel.

Officers for the coming year were elected as follows: President, Prof. Harper Wentz; vice president, Mrs. Raymond Nell; treasurer, James McDannel; secretary, Miss Darlene Wagner; historian, Rev. Ruth McDannel.

Two Couples Are Licensed To Marry

Marriage licenses have been issued by the clerk of courts to the following couples:

Robert Chester Smith, son of Harry E. Smith, Aspers R. 1, and Ruth Alice Starnner, daughter of Mr. and Mrs. William T. Starnner, Aspers R. 1.

Richard Crabbs Sipe, son of Mr. and Mrs. Richard Miller Sipe, 16 Center Square, New Oxford, and Nancy Mae Miller, daughter of Mr. and Mrs. Harry Bender Millar, 115 Lincolnway West, New Oxford.

PROPERTY TRANSFERS

Walter E. and Lillian C. Trostle, Bonneville, sold to Francis L. and Monica M. Bennett, Hanover, for \$11,000, a property in Bonneville. Wrenice W. and E. Virginia Kauffman, Franklin Twp., sold to Grace C. Kenney and Martha H. Storek, Gettysburg, for \$600 a tract in Franklin Twp.

"HIGH HOPES"

Always keep your hopes a-flying . . . to a point up in the sky . . . hopes are things that dreams are made of . . . so they always should be high . . . hopes are objects of desire . . . and to make your hopes come true . . . they should be of lofty merit . . . full of faith to follow through . . . hope when all the skies are darkest . . . and somehow the sun will shine . . . hope will make your outlook brighter . . . ease your heart when you're sick and tired . . . and you've reached the final rope . . . there is still a lot to live for . . . that is, if you still have hope . . . weigh these things that I have written . . . then keep hoping every day . . . and no matter what transpires . . . hope will help you find a way.

GARDEN GROWING IS ENTERTAINING FOR ILL CHILD

The Associated Press
As every mother knows, it's hard to keep a child entertained while he's convalescing from chickenpox or measles and has to stay in bed.

One solution is a bedside garden. Almost every child loves to stick seeds in the earth and then watch with wonder as the tiny green sprouts come up and grow into living plants.

You can make a garden for your sick-bed youngster simply and inexpensively. All you need are a few packets of flower or vegetable seeds, some containers and a small bag of potting soil or vermiculite. The latter is an inexpensive, clean, light substance in which seeds sprout easily.

Coffee Cans
You can use empty coffee cans for flower pots. Punch holes in the bottom put a layer of pebbles in first for drainage, then fill with the potting soil or vermiculite. The cans may be painted a gay color or merely covered with foil or colored paper. Set each can in a saucer, dampen the soil and let your gardener sow the seeds. Use only one kind of seeds in each container, and label them. Tamp down the seeds, and cover with a little more soil — then wait for results.

Moisture Warmth
Seeds do not need light — only moisture and warmth — to sprout. Cover the containers with a paper and place in a warm spot — a table by the bedside is a good place. Uncover them every day, and add water as needed. In four or five days the first sprouts should appear. From then on, the pots should be placed in the sun. Add a little plant food, keep them watered and watch the seedlings grow.

Junior will have a useful lesson in gardening. In addition to hours of entertainment while he is getting well.

DEATHS

Mrs. Elmer Sipling
Mrs. Floetta Grace Sipling, 54, wife of Elmer Sipling, Littlestown R. 1, died Wednesday at the Annie M. Warner Hospital. She was a daughter of the late Edward and Minnie Lightner, a member of the Carlisle Baptist Church and of the Ladies auxiliary of the Fraternal Order of Eagles Aerie 1406, Hanover.

Besides her husband she is survived by a daughter, Katherine Rohrbaugh Carlisle R. 5; a son by a former marriage, Thomas Sellers, Plainfield; an adopted daughter, Dorothy Forry at home; three grandchildren, and a sister, Mrs. Harvey Zimmon, Carlisle. Funeral services from the Jackson and Womer Funeral Home, Hanover, at 2 p.m. Friday, in charge of the Rev. H. N. Brownlee. Burial in Churchtown Cemetery near Carlisle. Friends may call at the funeral home this evening.

Miss Carrie M. Baum
Miss Carrie May Baum, 65, formerly of York, died at 3:30 p.m. Wednesday at Selinsgrove State school where she had been a guest for the past 12 years.

Miss Baum was born in Abbotstown, daughter of the late Charles and Abigail Nogle Baum. Only survivors are a number of nieces.

Funeral services Saturday at 1 p.m. at Diehl Funeral home, Mt. Wolf. Rev. Dr. Harry L. Saul, pastor of Christ Lutheran church, Manchester, will officiate. Interment in Greenmount Cemetery.

MRS. S. E. HILDEBRAND
Mrs. Emma Alverta Hildebrand, 86, widow of S. Emory Hildebrand, formerly of Littlestown, died this morning at 10:45 o'clock at Pleasant Acres, York.

A daughter of the late Henry and Sarah (Willet) Bucher, she is survived by two children, Edgar Hildebrand, McSherrystown, and Mrs. Paul W. Runk Sr., Hanover; three grandchildren; five great-grandchildren and a sister, Mrs. Kate Burm-gard, York Springs.

Funeral arrangements, being made through the Little Funeral Home, Littlestown, are incomplete.

TAKING CARE OF IT — Forty years ago Uncle Sam gave Bill Buckley of Morton, Minn., a uniform and told him to "take good care of it." At the American Legion convention in Atlantic City, N. J., Bill demonstrated the "fit" to Larry Roman and John Beausang, right.

CHECKING ON THE ARMY — Retired 77-year-old General of the Army Douglas MacArthur still retains a deep interest in Army football. He sits next to head coach Earl Blaik and center Jim Kernan, team captain, to watch scrimmage at Michie Stadium, West Point, N. Y.

TOURNAMENT TUNEUP — Billow of spray rises in wake of Rita Hollander of Copenhagen, Denmark, as she practices for World Water Ski Tournament at Cypress Gardens, Fla.

Local Service Club Presidents Confer

A discussion group, consisting of presidents of service clubs in Gettysburg, met unofficially Wednesday evening at the home of Mrs. Guyon Buehler, Knoxlyn. Members present said they hope to establish possible joint interest in various projects for the clubs at the informal meetings.

Suggestions were discussed toward forming an advisory committee to meet with General Paul, president of Gettysburg College, and toward the possible performance of services for the elderly citizens of the community who are no longer active. The formation of an outdoor historical pageant in Gettysburg was viewed with favor.

Those present were Mrs. Buehler, president of the Gettysburg Sororist Club; Harry Spangler, president of the Kiwanis; Carl Prosser, president of the Exchange Club; Donald Ullrich, president of Lions, and Dr. Harold A. Dunkelberger, Rotary president.

HOSPITAL REPORT

Admissions: Mrs. Anna Rahn, Hanover; Mrs. Barbara Hamilton, Gardeners; Mrs. Harry Mumper, R. 2; Mrs. Earl Keefer, R. 5; Mrs. Ivan Bollinger, R. 5; Mrs. Donald VanSossen, Westminster; Miss Heidi Nicky, Littlestown; Frank Byers, New Oxford; Mrs. Elizabeth Wright, Aspers.

Discharges: Mrs. John Stallsmith and infant daughter, Biglerville; Mrs. Donald Baadte and infant daughter, R. 4; Robert E. Johnston, R. 5; Millard Morelock, Detour, Md.; Earl Buehl, R. 4; Mrs. Orville Alice and infant son, Gardeners; Mrs. G. Barr Newcomer and infant daughter, Emmitsburg; Mervin C. Scott, Littlestown.

establishment of a scout unit at Hildersburg and an Explorer post at Hunterstown.

Dr. Frederick Tilberg, health and safety chairman reported that preliminary plans are completed for a first aid course for the scouts of the district.

Dr. W. E. Tilberg gave preliminary reports on the annual "adults in scouting" dinner to be held November 13 and for the district Christmas party in December. Scout Field Executive Stanley C. Rogers reported there are 705 boys in 27 scouting units in the district, a gain of 13.2 per cent since January 1. There are 317 Cub Scouts, 261 Boy Scouts and 127 Explorers. The report showed 284 boys have advanced one rank so far this year.

Seven scoutmasters from the district are scheduled to attend the scoutmasters only dinner at Tuckahoe Saturday, Rogers reported. He added that a large number of explorers are expected to attend the Red Cross First Aid Course at Camp Tuckahoe October 12 and 13. The program will begin at 12 noon October 12 and continue to 9:30 p.m. October 13. Explorers attending must register by Monday, October 7.

"REC" BOARD TO MEET

The board of directors of the Gettysburg Recreation Association will meet Tuesday evening at 7:30 o'clock at the engine house, E. Middle St. Secretary Mahlon P. Hartzell has announced.

PTA Members To Attend Convention

Mrs. R. C. Harbaugh, Littlestown, president of the Adams County Council of Parent-Teacher Associations, will head a delegation of representatives of Adams County units of the PTA at the 48th state convention to be held by the Pennsylvania Congress of Parents and Teachers in Philadelphia next Monday, Tuesday and Wednesday.

Theme for the convention will be "Unfinished Business, the Child and His Future" and the keynote address will be given by Mrs. Rollin Brown, Los Angeles, the national president to PTA. Governor George M. Leader will speak at the annual banquet and another official to address the convention will be Dr. Charles Boehm, superintendent of the state Department of Public Instruction.

Among the 1,500 delegates expected to attend will be these from the Gettysburg unit: Mrs. John Y. Crow, local president; Miss Jane Weisel, secretary of the local branch; Mrs. Donald Sheely, secretary of the county council and a delegate from the local unit; Melvin Sargeant, chairman of the county council's Legislative committee, and Mrs. Russell Tharp, co-chairman of the local unit's Ways and Means committee.

The principal region of foreign trade of the United States is the Western Hemisphere, half of these exports-imports being with Canada and Mexico.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY YEARS AGO

Girl Reserves Elect Officers At "Bum" Party: The Girl Reserve program for the current season in Gettysburg was launched at a "bum" party Friday evening at square, when 100 girls of high and grammar school age played games, sang popular club songs, formed a "bread line" for a "hand out" of cider and pretzels and then gathered in groups to organize and lay plans for the winter's work.

Individual meetings of the clubs resulted in the following elections: Junior Grace Dodge club, Mrs. John S. Rice, adviser; President, Fern Reed; vice president, Mary Ruth Rice; secretary, Betty Martin; treasurer, Sara Mehrling.

Sophomore Grace Dodge Club: Mrs. C. H. Heldt and Mrs. Francis Mason, advisers; President, Mary Louise Wentz; vice president, Gladys Kelley; treasurer, Hazel Buohl.

Freshman Tru-Blu club, Miss Dorothy Boyer and Miss Emma Mary Smyser, advisers; President, Sara Jane Maust; vice president, Mary Jane Wolff; secretary, Mary Bollinger; treasurer, Betty Hand.

Eighth Grade Tru-Blu club: Mrs. Hugh C. McIlhenny and Miss Helen Carey, advisers; President, Betty Jane Stary; vice president, Louis Klinefelter; secretary, Shirley Sherman; treasurer, Winifred Miller.

Report 622,384 Tourists Here: Most Since '30: Tourist traffic in the Gettysburg National Military park during the travel year that ended with the month of September is estimated to have increased by nearly 20,000 persons over the twelve month preceding. It was revealed today by the office of James R. McDonagh, national park superintendent.

Tourist figures for the travel year just closed were telegraphed to the national park service at Washington, D. C., late Thursday evening.

The message sent to Washington, D. C., estimated at 622,384 the number of visitors to the battle here since last October 1.

E. J. Stahle Ends 36 Years As Reading Freight Employee: Edmond J. Stahle, 505 York street, retired Thursday evening from active duty with the Reading company after serving the railroad since 1901.

Mr. Stahle was employed here by the Reading company first as a freight hand at the freight station. Later advancements placed him in the position of chief clerk in the local Reading freight office, a position he has held for the last 16 years.

Muhlenberg To Induct Tyson As President: Muhlenberg college, at Allentown, is holding special exercises this evening and Saturday in connection with the inauguration of its new president, Dr. Levering Tyson, Ph.D.

Dr. Tyson is a graduate of Gettysburg college in the class of 1910. He is a former member of the college board of trustees.

Representing the college at the inauguration will be Dr. Henry W. A. Hanson, president; Dr. Wilbur E. Tilberg, dean; Dr. Frank Kramer, and C. E. Bilheimer. Dr. John Abernethy, president, will represent the Lutheran Theological seminary.

"Nortie" Miller, Mailman, Given Clerkship: 2 Carriers Promoted And 1 Appointed: Transfer of Norton C. Miller, York street, to a position as clerk in the local post office, promotion of two other employees and the addition of a new man at the local office were announced this morning by Postmaster C. A. Williams.

At his own request "Nortie," as he is familiarly known to the host of friends he had made during his long term of service, is being transferred from carrier duty to the position made vacant by the retirement of Calvin K. Gilbert.

With the transfer of Mr. Miller promotions have been awarded to Luther E. McDonnell, who will succeed "Nortie" on the route through the northern end of the town, and to G. Walter Fraim, who is advanced from the rank of substitute to regular relief carrier. Fraim's position will be filled by

Today's Talk

MONUMENTS
As a youth I was deeply impressed with all monuments that I viewed in the parks and prominent places in cities. It used to be quite the idea, but outside Washington there have been few new ones. Perhaps their coldness has affected many, and the enthusiasm for "our heroes" has melted away so far as figures of bronze are concerned.

I still look upon many of our famous statues, like the Lincoln Memorial in Washington, the Whitman on one of the high hills bordering the Hudson River, and the George Grey Barnard statue of Lincoln in Lyle Park at Cincinnati, as among the finest and most human.

I do not think our great men and women can be honored too much.

I like the idea of a Hall of Fame in New York City. I have visited it many a time and am always thrilled by it. The only monuments that stir nothing within me are those erected for political purposes, or to pay tribute to someone that no one else would.

I like the idea of the heroes of our American States honoring some one of their many in a statue in the rotunda of the Capitol building. Young people, visiting the Capitol, should be greatly impressed. I know of none so dignified and inspiring as the Lincoln Memorial.

Chicago, in its parks, has many beautiful works of art that are well worth seeing. For years those beautiful figures near the Art Gallery inspired me upon every visit to this interesting city.

Tomorrow Mr. Adams will talk on the subject: "Little Things" Protected, 1957, by The George Matthews Adams Service

Just Folks

THE JUNE GROOM NOW
The June groom now has learned a lot

Of things he didn't know before. He's settled down, as like as not, To newer duties by the score. By now he knows just what it means When he is roused from sweet repose

And told: "The rain beats through the screens; Get up and all the windows close."

By now I guess he also knows Just when the dinner table's spread

The joy of hearing wife disclose The fact that he must go for bread.

And in the early morn he sees His wife grow in robe of silk And hears her murmur: "If you please,

I wish you'd fetch a pint of milk."

By now the June groom understands What married men so long have known:

A wife will issue her commands When hubby would be left alone.

Somehow, a wife will never think Of open doors and windows till Into a slumber deep you sink;

Then she remembers with a will. Copyright, 1957, by Edgar A. Guest

WOMEN MEET AT ST. JOHN'S

The United Lutheran Church Women of St. John's Church met on Tuesday evening at the church when Mrs. William C. Karns, leader for the evening, introduced the topic "Great Words of Our Faith." The opening devotions included a hymn; Scripture, Mrs. Samuel Renner; prayer, Mrs. William J. Lipsey; hymn, Mrs. Karns then discussed the topic, which was followed with a magazine quiz and missionary benediction.

Mrs. Karns, president, conducted the business period and announced that the fall convention of the United Lutheran Church Women of the West Pennsylvania Conference will be held on Tuesday, October 15, at Memorial Lutheran Church, Shippensburg.

Mrs. Harry O. Harner was elected delegate to the convention. A thank-you note was read from Mrs. Dale W. Stary Reports were heard from Mrs. Lloyd L. Stately, secretary and Mrs. George Trump, acting treasurer, Mrs. Paul E. King was appointed to be leader for the next meeting on Tuesday, November 5, at the church, and the hostesses will be Mrs. Paul H. Bowers and Mrs. Henry Barnes.

At the conclusion of the business, refreshments were served to the group by Mrs. Harry W. Badders and Miss Evelyn Asper.

Kingsdale Firemen Meet
The Kingsdale Volunteer Fire Company held its monthly meeting on Monday evening at the engine house, with Chaplain Norman Utz offering the opening prayer. The group discussed the success of the annual August carnival held by the company, and a complete financial report on the affair will be given at the November meeting. Preliminary plans were made to hold the annual party for all those who assisted in any way at the carnival, on Saturday, November 9, 8 p.m., in the engine house.

Bills ordered paid amounted to \$82.24. A report was heard from Francis Gerick, secretary. The company decided to purchase a refrigerator for use in the basement at the engine house. At the conclusion of the business, refreshments were served by Fred Gerick and Claude Gerick, who will also serve as the social committee for the next regular meeting on Monday, October 28.

To Serve Supper
The Hustlers' Class of Redeemer United Church of Christ will serve a roast beef supper to the public, family style, on Saturday, beginning at 4 p.m., in the church social hall.

Preparatory and Holy Communion services will be held in St. Paul's Lutheran Church and St. John's Lutheran Church on Friday at 7:30 p.m., and again on Sunday morning.

The Methodist Youth Fellowship of Centenary Church will conduct a paper drive on Saturday morning starting at 9 o'clock.

The Woman's Society of Christian service of Centenary Church will hold a bake sale on Friday at 4 p.m., in the vacant storeroom

of the POS of A building, E. King St. Those having donations to be collected should call Mrs. Beaven F. Hanlon.

Two Communion
St. Aloysius Catholic Church will sponsor a public party on Saturday evening, 8 o'clock, in the parish hall. Prizes will be awarded and refreshments will be available.

Holy Communion services will be held in Christ United Church of Christ on Friday at 7:30 p.m. and Sunday, 10:30 a.m.

The Ladies' Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2226 will hold a public party at the FOE Home, W. King St. on Friday evening, beginning at 8 o'clock.

The Adams County Post Grands Association will meet with Gettys Lodge No. 124, Independent Order of Odd Fellows, Gettysburg, as the host group on Tuesday, 8 p.m., in the lodge rooms there.

The Ladies' Auxiliary to the Kingsdale Fire Company will conduct a food stand at the Walter F. Crouse public sale on Saturday, 12 o'clock noon, at the Crouse place of business, about two miles west of Littlestown on the Taneytown Rd. Auxiliary members are requested to prepare homemade pies, cakes, candies, etc., for the stand.

PHILADELPHIA (AP)—A federal jury convicted Charles F. Woll, 52, of suburban Havertown, yesterday of illegally using employees of Philco Corp., who were doing classified government work, to repair his home and help finish his sister's home.

Woll, a former manager of Philco's government industrial division, said he would seek a new trial. He is presently a staff engineer at the Radio Corp. of America's research laboratory in Moorestown, N.J.

The government charged that Woll benefited from thousands of dollars of labor charged to the U.S. between January, 1953, and August, 1954.

CARD PARTY OCTOBER 17

The ninth annual card party sponsored by the Taneytown High School Alumni Association will be held October 17 at 8 p.m. in the high school auditorium. Receipts will go to the new high school band.

Mrs. Elizabeth Baumgardner, general chairman, announced the following committees: Prizes, Elizabeth Baumgardner, Harry Dougherty Jr., Marlin Rittase, Helen Bankard, Robert Waddell, Shirley King and Mrs. Delmont Jr. Cards and Tables, John Harner, Elwood Harner and Doris Harner. Publicity, James Fair, Tickets, Virginia Sanders. Refreshments, Charlotte Shorb, chairman, Louella Harner, and Audrey Fair.

Convict Man Of Misusing Labor

NEGRO WOMAN SEEKS FUNDS TO AID WHITE BOY

PHILADELPHIA (AP)—All of us, both Negro and white, must show good will and begin a better day of friendship in neighborhoods and throughout the city.

Toward this end, a Negro mother today set out to canvass her mixed neighborhood in North Philadelphia where a 15-year-old white boy was seriously stabbed earlier this week in one of a series of teen-age racial incidents.

Mrs. Clara Baldwin, who lives near the family of Billy Fluck, has begun a door-to-door campaign raising funds to help defray the boy's medical and surgical expenses. He and his younger brother were set upon by a group of Negro boys while returning from an errand to a nearby grocery.

The younger brother broke and ran but Billy suffered a stab wound which has paralyzed both legs.

"Citizens must get together and stop these senseless fights before more young people are hurt," Mrs. Baldwin said.

A portion of the money collected is to go to the family of another victim injured in a similar incident. The second boy, 13-year-old Melvin Reeves, is also white.

New Guinea is composed of more than 600 islands. Lying near the equator, its climate is hot and wet throughout the year. It is a trust territory administered by Australia.

SENTENCING OF GIRL DEFERRED BALTIMORE, Md. (AP)—Judge Emory N. Niles has deferred sentencing a 17-year-old blonde from Lancaster, Pa. on charges she assaulted five policemen with her automobile during a 90-mile-an-hour chase.

The jurist said he would like to examine a medical report and probation report before sentencing Shirley Anne Dickel, who was convicted yesterday.

On the refreshment committee for next month are Jane Hess, Ethel Sprinkle, and Madeleine Harner. Mary Clinegram's name was drawn for the money but was not there. There were 26 members present.

The pretty curly-haired girl was accused of driving her car at speeds better than 90 miles an hour through Baltimore last August 16. Five police said the girl drove at them or attempted to force them off the road during the chase which ended when a police bullet struck her in the shoulder.

The girl said she was running away from home at the time and was attempting to evade arrest in Baltimore county on a speeding charge when she drove through this city. She said she had been stopped outside Baltimore and was instructed to follow a police car to headquarters, but stepped on the accelerator instead.

RUSSIA CLAIMS NEW ROCKET WASHINGTON (AP)—Russia is using a come-back-home weather rocket which soars up 50 miles or more, then parachutes back to land near its launching site for another trip.

The 21-foot rocket is aimed so

that it can be recovered and used again and again.

On its sky trip it records temperatures and air pressures to help forecast weather.

This rocket and all its components were described in full detail last night at Prof. A. M. Kasaikin to a conference of International Geophysical Year scientists. Weather analysis is one main IGY study.

The weeklong conference was called for reports of IGY programs to explore the upper atmosphere with rockets, and for details of Soviet and American plans to launch baby moon satellites into outer space.

WOMEN MEET The monthly meeting of Francis X. Elder Post 121 American Legion Auxiliary was held Tuesday with President Ann Topper presiding.

The chairman for the recent Western Maryland District meeting held in Emmitsburg on September 6, Madeleine Harner, gave a report on the affair. There were 94 dinners served. She thanked all those who helped make the affair a success.

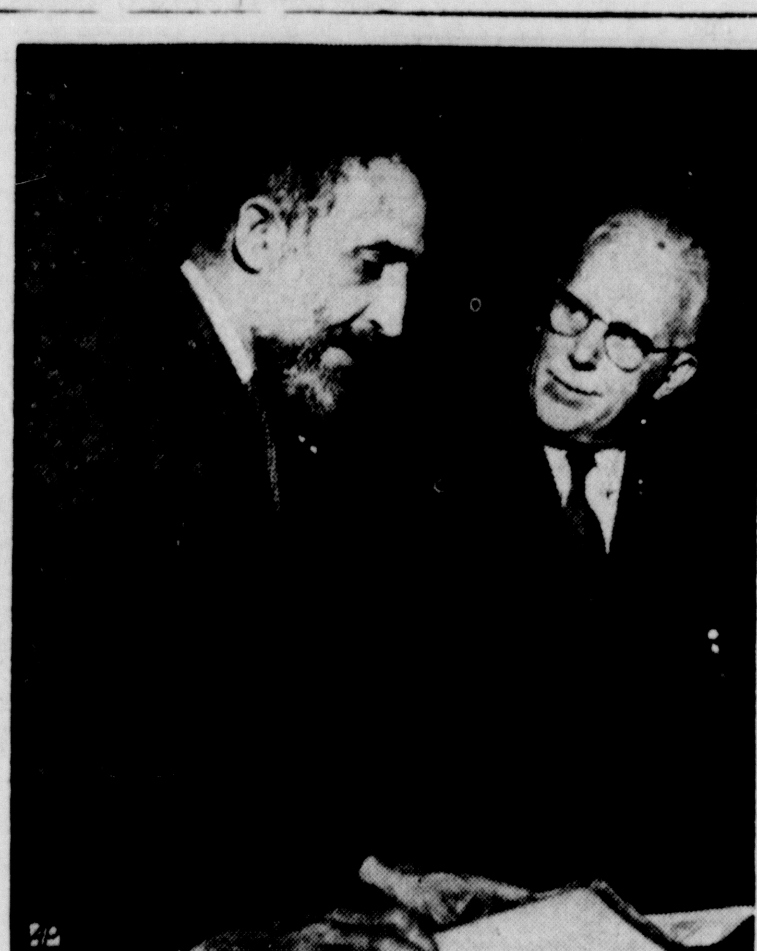

The door prizes were won by Mrs. William Fair, of Taneytown, and Mrs. Francis Morgan, of Walkersville.

The next Western Maryland District meeting will be held at Thurmont on Sunday, November 17. There will be a prize given for the most entertaining jingle.

Thank you notes were read from Helen Ashbaugh and Mrs. Mackley. It was decided that the auxiliary will be a patron of the yearbook at St. Joseph High School. Madeleine Harner was named as state committee woman.

Fear Haiti Near Civil War Crisis

PORT AU PRINCE, HAITI (AP)—Hundreds of Haitians are clamoring for visas to the United States, fearing this Negro republic is at the brink of civil war.

Many even urge publicly that the U.S. Marines return to maintain order. The Marines occupied Haiti from 1915 to 1934.

The ceaseless political warfare that has unseated six governments on this Caribbean island since December has nearly paralyzed the economy.

Tourist hotels are all but deserted. Many businessmen are trying to sell out and leave.

The military junta in power since last June hopes for quick economic aid from the United States. Business leaders see little hope from this quarter, however, in view of the political turbulence.

SENTENCING OF GIRL DEFERRED

SPORTS

GHS At Chambersburg Friday; Littlestown, Delone At Home; Canner-Bubbler Tilt Saturday

Three scholastic football games for Adams County teams are scheduled for Friday night, Gettysburg High playing at Chambersburg, Lancaster Catholic at Delone, and West York at Littlestown. Boiling Springs plays at Biglerville Saturday evening.

Ben Jones and his Gettysburg Warriors will be engaging in their first South Penn Conference game when they tangle with Trojans. The game marks the 28th in the series between the schools. Gettysburg has won eight, tied five and lost 14. It has been 15 years since a Gettysburg team defeated Chambersburg, the last win being in 1942 when the score was 12-0. Two ties, 20-20 in 1951, and 6-6 in 1952 have been played since then. Last year Chambersburg won here 34-0.

Two Warriors Alling
Two of the Warriors' top linemen are on the alling list and are doubtful starters. Bob Nelson, guard, is nursing a pulled arm muscle, while Roy Goldsmith, another guard, has been ill and is likely to miss the game. Larry Houser, 171, and Bob Zhea, 200, both juniors, will be their replacements if they are unable to play.

Otherwise the squad is in good condition for the game. Other starters will include Keith MacKenzie and Gary Maitland, ends; Bill Rentzel and Ken Kimpke, tackles; Frank Skidmore, center; Earl Little, quarterback; Ken Keffer and Rex Baltzler, halfbacks, and Bob Furney, fullback.

Reports from Chambersburg have it that Bill Tasker and Hugh Crittenden, leading ball carriers, are also nursing injuries which may keep them from their starting roles. The Trojans have a big line which is given the nod over the Warrior forward wall on the basis of more speed.

Chambersburg has a 1-2 record via a 20-0 win over Scotland and losses to Hanover 26-21 and Delone 27-20. Gettysburg is 1-1, having lost to Westminster 25-13 and won from Shippensburg 27-12.

Arrangements have been made for buses to take local students to Chambersburg at 55c per person.

West York At Littlestown
Littlestown High is gunning for first place in the Laurel Conference when it tangles with West York on the Thunderbolts' field Friday and is expected to make the grade.

The Bolts have improved tremendously after losing their opener to Shippensburg. They crushed Daltown in a conference game 36-7 and last Friday knocked Red Lion from the unbeaten class 19-13.

A hard-hitting backfield and a strong fast-charging line have been the big factors in the success of the Thunderbolts.

West York is still looking for its initial victory after a 13-6 loss to the York High Junior varsity and a 13-7 setback at the hands of Susquehannock in league competition.

Don Cocher, new head coach at West York, has a wealth of experience with 13 letovers from last season, all of whom were starters in the two-rotation system. The vets are: Ends, Gary Gable, Al Mauts and Ray Mundorf; tackles, Clinton Bubb and Gary Kerr; Mike Ketterman, Rod Schrum and George Martz, guards; backs, Bruce Hartough, Dave A. Smith, Sam Janetta, Ray Ernst and George Garrett.

The Bulldogs have the potential power to give Coach Wib Gobrecht's outfit a real tussle. Friday's game is the lone league game this week.

Lancaster Catholic At Delone
Only over-confidence should be feared by Coach Carr and his fast-moving Delone Squires when they host Lancaster Catholic at McSherry-stown in a Central Penn Catholic League game.

The Squires have left little doubt they are the class in local scholastic circles and should have little trouble with Lancaster.

Speed and experience in the backfield with a powerful forward wall should carry the unbeaten Squires to their fourth straight victory of the campaign at the expense of the Crusaders, losers in all of their games to date.

Boiling Springs At Biglerville
Probably the largest crowd of the home season will watch the Biglerville and Boiling Springs High School gridlers lock horns at Biglerville Saturday evening at 8 o'clock as the Cannons open a four-game home stand.

Saturday's affair promises to be a typical bitter battle between the old rivals in which all past performances can be thrown out the window.

Bud Becker, in the process of a complete rebuilding program at Boiling Springs, has been having his troubles with his greenhorns. The Bubbler has a victory over Northern Joint while suffering losses to Hummelstown and Enola.

Biglerville is unbeaten having defeated Kennard-Dale and Northern Joint after deadlocking New Cumberland in its opener.

Both squads are reported in good condition and ready for a tough contest.

South Penn Games
In addition to the Gettysburg-Chambersburg battle, two key games in the South Penn Conference are scheduled for Friday evening.

Hanover's surprising Nighthawks,

pace the circuit after victories over Chambersburg and Mechanicsburg, invade Middletown. The Blue Raiders have been disappointing in being held to a tie by Waynesboro and thoroughly trounced by Carlisle 33-14.

Carlisle, defending champion, travels to Hershey and, while favored to win, may get a rough reception from the Trojans who turned in such an impressive victory at Waynesboro. After losing to Milton Hershey, the Trojans trounced Palmyra and Waynesboro. Mechanicsburg has an open date this week while Waynesboro plays at Scotland Saturday afternoon.

CRUCIAL GRID CONTESTS FACE SCHOOL TEAMS

HARRISBURG (AP)—The race for scholastic football titles begins in earnest this weekend with two major league defending champions seeing initial action against conference opposition.

Lower Merion, featuring the longest win streak of any of the state's major teams, opens its campaign in the Suburban One League of Southeastern Pennsylvania.

At the other side of the state, Indiana, which won the top rating in 1956 of the far-flung Western Conference, inaugurates its conference season against Northern Cambria.

In the Suburban One clash Saturday afternoon Lower Merion is expected to have little trouble with Ridley Twp. Last year the Mainliners crushed the Township 42-6. Indications are the score this year will be of the same proportions in favor of flower Merion.

Indiana Looks Strong
Indiana should have little trouble with Northern Cambria, which has already dropped games to conference teams by big scores. Indiana has looked strong in early season non-conference games.

The weekend prospects region-by-region:
EAST—A trio of key games are on tap in the southern division of the 54-team Eastern Conference, which covers the anthracite counties.

Heading the three is the clash between Shamokin and Coal Twp., both undefeated against conference opposition. Shamokin is ranked with Lansford at the top of the circuit and Coal Twp. is number five. The game is a toss-up.

Lansford Is Favored
Lansford should be able to take care of hapless Summit Hill, which has yet to win a conference game. Third-ranked Mount Carmel, with three conference victories and no losses under its belt, meets equally undefeated Berwick, also with three wins. Mount Carmel appears to have the edge.

CENTRAL—Prime game of the region pits undefeated York against undefeated Williamsport, the defending champion, in a crucial Central Penn League contest. York has steamrollered opposition—all non-league—so far this season, as has Williamsport.

In the South Penn conference, the featured game sees Carlisle against Hershey in a clash that could well decide who will be 1957 king. Carlisle won it last year.

Other Contests
WEST—In the huge WPIAL four leading undefeated contenders for the 1957 title will be in action and all four are favored to win. A loss or tie eliminates a WPIAL team from competition for the crown.

Hempfield should be able to take Monessen, especially after showing surprising strength last weekend in upsetting 1956 WPIAL champion Jeannette. Butler is favored over Har-Brack; Uniontown over Redstone and Washington over Monongahela.

In the Western Conference Lewistown, heading the ratings in the loop, should have little trouble with Captain Jack.

St. Mary's will be wary of Ridgeway in the Mountain League since Ridgeway was upset last weekend and will be bouncing back. But St. Mary's is going after its 13th in a row. The game could go either way.

In the Section Two league of Northwestern Pennsylvania Corry goes after its third league game against Franklin and is expected to win. Corry won the title in 1956.

PHILADELPHIA (AP)—Mrs. John Dyson of Hazleton and Mrs. Lynn Creason of Harrisburg, upset winners in yesterday's quarter final round of the Huntingdon Valley C.C. Invitational Better Ball of Partners Tourney, meet the Philadelphia team of Mrs. Annette Gessler and Mrs. Edwin Vane in today's semi final.

The Dyson-Creason team upset

SPIDERS LOSE IN DEBUT TO BUBBLERS 20-0

The Gettysburg Junior High Spiders, composed of seventh and eighth graders, made an unsuccessful debut here Wednesday afternoon when they bowed to Boiling Springs 20-0. Several Bubbler players were ninth graders.

A recovered fumble at midfield led to the first Bubbler score in the first period. After Meals ran to the Gettysburg 14, a penalty nullified a Boiling Springs touchdown but then Treaster streaked over from the 7. A run for the point was stopped.

Late in the first period Plank punted to Boiling Springs on the visitors' 47. At the end of the quarter the Bubblers had moved to the Spiders' 47.

On the first play of the second period Meals streaked 47 yards for the score and Treaster circled end for the point.

After receiving the ensuing kick-off, the Spiders were set back to their own 30 via a 5-yard penalty. Plank then booted to Redman who carried back to the Gettysburg 20. Meals got his second touchdown on the next play on a 20-yard scamper. Again Treaster added the point for the invaders.

Duane returned the Bubbler kick-off to his 42. Longanecker and Geyer racked up two first downs to the visitors' 32 but the Bubblers braced and took over on the 29 as the half ended.

Late in the third period Boiling Springs recovered a fumble on the Gettysburg 23 and Meals made a first down on two successive carries as the quarter ended.

Coach Bob Nicholson's lads made a gallant goal line stand to take possession and Plank punted out, the ball being returned to the Spiders' 17. A short time later Gettysburg recovered a fumble on the 34 and moved for a first down to the Bubbler 45. Shortly thereafter, the game ended.

The Spiders' next game will be at Hanover on October 16.

The lineups:
Gettysburg
Ends—Keefer, Kump.
Tackles—Schultz, Coshun.
Guards—Helwig, Lutz.
Center—Newman.
Backs—Duane, Redman, Plank.
Longanecker, Geyer.

Boiling Springs
Ends—Eckert, Shenk.
Tackles—Pitting, Karper.
Guards—Souder, Davidson.
Center—Shoulter.
Backs—Meals, Myers, Treaster, Snyder.

Score by periods:
Boiling Springs—6 14 0 0—20
Gettysburg—0 0 0 0—0
Touchdowns—Treaster, Meals 2.
PAT—Treaster 2 (runs).

GRID GAME MAY BE CANCELLED

WASHINGTON (AP)—Transfer or cancellation of the Navy-Georgia Oyster Bowl football game scheduled for Norfolk, Va., Oct. 19 was being discussed today because plans call for segregated seating of the crowd.

Top officials of the Navy meet here with the chairman of the Oyster Bowl program to decide the fate of the game, an annual fixture since 1946.

Prompting the powwow was a request by the National Assn. for the Advancement of Colored People that the game be canceled unless seats are sold on a non-segregated basis to the Navy and the public alike.

The game is expected to be a sellout. Tickets are being sold in Norfolk on a segregated basis, in accordance with Virginia law.

But Melvin Blassingham, Oyster Bowl program chairman, said last night, "We've never told the Naval Academy officials how they can dispose of their tickets. That's up to them."

Blassingham said if the game were to be canceled, its sponsor, Norfolk Shriners, "stand to lose approximately \$35,000." Proceeds of the game go to the Shriners Hospital for Crippled Children in Greenville, S.C.

Earlier this year the Army-Tulane football game scheduled for New Orleans was transferred to West Point because of arrangements for segregated seating in New Orleans.

Mrs. William G. Hamilton of Philadelphia and Mrs. Mark Porter, of Riverton, N.J., former U.S. amateur champion, 3 and 2 yesterday. The Hamilton-Porter duo had won the medal prize with a 70 in Monday's qualifying round but were ahead only once yesterday when Mrs. Porter scored a par on the first green.

The Gessler-Vare team won its match on the 23rd green from Mrs. Harris Flippin, U.S. senior champion, from suburban Ardmore, and Mrs. Frank Goodyear, of Haverford. Mrs. Vare is a former U.S. champion.

Yankees Are Strong Favorites To Win Series After 3-1 Triumph In Opener; Shantz, Burdette Today

By JOE REICHLER
NEW YORK (AP)—The New York Yankees ruled a solid 12-5 choice to capture the World Series as left-hander Bobby Shantz and Milwaukee right-hander Lew Burdette prepared to take the mound today in what is regarded as the key game.

Should Shantz subdue the Braves, following Whitey Ford's five-hit 3-1 triumph for New York, the Yankees could conceivably sweep the set in four straight. Should the Braves even the series, the outlook is for a knock-down and drag-out seven games.

The Braves were nervous and restrained in the opener. They didn't hit, their fielding wasn't sharp and they didn't play alert, heads-up ball. The Yankees outlived them, outfielded them, outpitched them and outthought them. Yet the Braves weren't exactly outclassed. Certainly the Yankees didn't overpower them. They just did everything a little bit better than the Braves.

"Yanks Can Be Beaten"
Warren Spahn, who was batted out in the sixth inning to suffer the loss, may have sounded the keynote for his team when he remarked in the clubhouse after the game: "The Yankees showed us they were human too. They didn't exactly roll over us. We were in the game all the way."

If Manager Fred Haney was discouraged, he failed to show it. "We have no excuses," he said. "We got beat, that's all. We had several opportunities, but we just didn't hit enough. The Yankees can be beaten. I'm still confident we'll win."

Banking On Burdette
Haney was banking on Burdette, second only to Spahn during the Braves' stretch run in September. The slender 30-year-old Virginian is an experienced pitcher even though he never before has appeared in a World Series. A 17-game winner, Lew's best pitches are a curve and a slider. He pitches something like Spahn, who gave up seven of the nine Yankee hits before leaving underfire in the Yankees' two-run rally in the sixth.

For Shantz, as well as Burdette, this was series assignment No. 1. The little southpaw, acquired in a trade with Kansas City last February, earned his shot at Milwaukee with an 11-5 record and an earned run average of 2.44, lowest in the majors. The 5-7, 145-pounder also relies on breaking stuff, slow curves, screwballs and knucklers.

Manager Casey Stengel's selection of Shantz was based on the winning effort of Ford, who held the Braves to five hits, only one of which was longer than a single. Casey said had the left-handed

Ford been ineffective, he would have come back today with Bob Turley, his strong-armed right-hander.

Not Ford's Best
Ford turned in a neat performance but he has pitched better games in World Series. He issued four passes and was in several trouble spots but remained firm in the clutch. Milwaukee batters swinging at bad pitches and watching good ones go by didn't hurt him either.

In the sixth, Stengel left the dugout to give a few words of advice and encouragement to the compact little left-hander. There were two out and two Braves on base, via walks, with a count of 2-1 on the batter Andy Pafko. The veteran outfielder ran up a full count, fouled off three pitches, then ended the inning by missing a high curve.

Ford struck out five. His shut-out bid was ruined in the seventh when Wes Covington's second hit, a double, pinch hitter Nippy Jones' infield out and Red Schoendienst' single, produced the lone Milwaukee run. It was the only inning the Braves managed two hits.

Shown May Be Out
Elston Howard took over at first base after Bill Skowron reinjured his back while running the bases in the first inning and was forced to retire. He may be lost to the Yankees for the rest of the series. Mickey Mantle, the other injured Yankee, played the entire game but his efforts were limited to two infield singles, one a beautiful drag bunt in which he gave a demonstration of his old speed.

Jerry Coleman, regarded as a light hitter, shared honors with Ford, along with Hank Bauer. The graceful second baseman contributed two hits, scored the first run and drove in the third. His perfectly executed squeeze bunt in the sixth against relief pitcher Ernie Johnson scored Yogi Berra with the final Yankee run.

Mantle Lifts Series Batting Figure To .271
NEW YORK (AP)—Figuring the World Series:
Mickey Mantle's two hits in four tries increased his Series' batting average 10 points to .271. The Yankees' star has 26 hits in 96 at bats—15 singles, two doubles, one triple and eight homers.

Incidental info about today's pitchers: Lew Burdette pitched 14 complete games in 33 starts in the regular season and gave up 25 homers in 257 innings. Bob Shantz went the distance nine times in 21 starts and yielded 15 gophers in 173 frames.

Ford Near Record
Johnny Logan, the Braves' shortstop, now has failed to hit safely in his last 14 trips, including 11 in the National League campaign. He was 0-for-3 yesterday.

Whitey Ford's victory put him within two of the Series' record. Red Ruffing and Alie Reynolds of the Yankees each won seven. Whitey's a good bet to break the mark since he's only 28 years old.

Ford also reduced his Series' earned run average to a smart 2.62. The left-hander has yielded only 16 earned runs in 54 2-3 innings while walking 17 batters and striking out 37.

Brisk Opener
Yesterday's game was played in a brisk 2 hours and 10 minutes. But it was well under the record of 1 hour and 25 minutes in which the Chicago Cubs beat the Detroit Tigers 2-0 in the fifth and final game of 1908.

Warren Spahn pitched exactly one more inning than he did in his first World Series assignment in 1948. In that one, he worked 4 1-3 innings and gave up three runs. Yesterday, he allowed three runs in 5 1-3 frames.

The Series' dominance by the New York clubs is emphasized by the fact that today's game will be the 102nd played in this city. Chicago is next with 37 followed by St. Louis with 29. The departure of the Giants and probably the Dodgers will cut down New York's potential.

It was the Yanks' 79th Series victory. They've lost 42 for a .653 average.

Junior High In Home Game Tonight

This evening at 7:30 o'clock the Gettysburg Junior High School football team opens its season, as well as its South Penn Conference schedule, by entertaining Washington Township on the local gridiron.

Shippensburg, 13-0 winner over Hanover last week, plays at Chambersburg today in the other league game.

Big Ten Teams In Lead In All Divisions

NEW YORK (AP)—For the first time in the 21 years of the NCAA service bureau, teams from one conference—the Big Ten—dominated all departments of offense and defense, as well as kicking after last Saturday's games.

Although Big Ten clubs divided their openers, the NCAA bureau reported today they led the major colleges in seven departments, with Iowa tops in total offense, forward passing, and rushing defense. Michigan State led in rushing offense and total defense, while Ohio State was the forward pass defense leader, and Minnesota excelled in punting.

VETERAN GRID STAR SEES WIN FOR PENN STATE

UNIVERSITY PARK, Pa. (AP)—The player whose long run gave Penn State its only football victory over Army—38 years ago—says he thinks the Nittany Lions can do it again Saturday.

If Earl Hewitt is correct—and he looks at football with more experience than most fans—Penn State can take a big step toward top rating among Eastern gridiron powers State and Army, winners in their opening games, will play before a sellout crowd of 30,000 in Beaver Field in one of the top national contests.

"I hear our team is pretty good this year," says Hewitt, now 78 and a semi-retired coal operator and engineer who lives at Indiana, Pa. "I've been rooting for an other win over the Army for a long time and I think we can do it."

Ran 55 Yards
A long time would be almost an understatement. It was Oct. 7, 1899, in the first football meeting of Army and Penn State, that Hewitt carried an Army punt and ran it back 55 yards for the only touchdown of the game. Then he kicked the point that set the final score at 6-0 (a TD was 5 points in those days).

The following year Hewitt and his teammates couldn't score but neither could Army and the game wound up in a 0-0 tie. In 1939 the two schools tied again, 14-14. Since then, West Point has won four in a row, including a 42-7 romp in 1949 and last year's 14-7 decision that was one of only two losses on State's record.

Team Is Puzzle
Penn State comes up to the Army game somewhat of a question mark after a so-so showing in winning 19-14 over a surprisingly adept Penn team that game exposed some need for reinforcement in the middle of the line and coach Rip Engle was cheered today by an unexpected shift.

Earl Kohlhaas, 220-pound sophomore center who won all-state honors at Mechanicsburg, Pa., asked and received permission to move to guard after sitting on the bench through the Penn game while veterans Chuck Ruslavage and Steve Garban were doing the centering.

Warren Spahn was no easy touch for the Yanks even though they knocked the Braves aside lefty out of the box in the sixth inning. But he couldn't have been any tougher than the guy who pitched batting practice to the Yanks—Sal Maglie, a Yankee since Sept. 1 but ineligible for the Series.

Sal beat the Yanks in the opening game of the Series against the Dodgers last year, but he was the only member of the 1956 Brooklyn team that ever got to suit up today. Stengel apparently forgot to report. Shouldering a couple of reporters aside so he could see the Milwaukee batting cage, the Yank skipper said, "I gotta see Brooklyn hit."

The Braves praised Whitey Ford to the hilt — they said he pitched

Bullets To Oppose Terrors In Benefit Game At York Friday; Kickoff At 8 P.M.

BIGLER GRADE TEAM COPS 2ND GRID TRIUMPH

The Biglerville seventh and eighth graders won their second victory in as many starts, both at the expense of Hanover, by scoring twice in the first quarter for a 12-7 triumph Wednesday evening on the Hanover football field.

Joe Shreve returned Hanover's kickoff from his own 20 to the Hanover 20 to open the game. Three plays later Larry Black circled right end for the score.

"Later in the first period Mickey, Biglerville Tackle, broke through to block a Hanover punt and Black scooped up the ball to race 20 yards for his second touchdown.

After a scoreless second quarter, Hanover took to the air for its lone score in the third period. Swisher connected with Grove on a 55-yard pass play. Another pass by the same combination added the extra point.

Bill Coradetti's youngsters next play at Boiling Springs on October 10 at 7:30 p.m.

The lineups:
Biglerville
Ends—Olmstead, Hess.
Tackles—Mickey, Ebbert.
Guards—Cunningham, Ernst.
Center—Cooley.
Backs—Showers, Black, Shreve, Hildebrand, Harmon.

Hanover
Ends—Grove, Rife.
Tackles—Zepp, Pratt.
Guards—Geyer, Strausbaugh, Cromer.
Centers—Cramer, Pennewill.
Backs—Swisher, Hayes, Jeldenstick, Colehouse, Carl.

Score by periods:
Biglerville—12 0 0 0—12
Hanover—0 0 0 0—0
Touchdowns, Black 2, Grove, PAT, Grove, pass.

Spahn Would Do It Same Way Next Time
NEW YORK (AP)—Southpaw Warren Spahn, the Milwaukee ace who won 21 games this season, had no regrets after his loss in the opening game of the World Series against the New York Yankees.

"I'd pitch it the same way, except for maybe two or three

like a National Leaguer, Adcock, who went 6-4 said, "You know who he reminded me of? Preacher Roe, that's who. He was deliberate. Determined and deliberate. He works on you; gives you nothing good to hit at all."

Hank Bauer's RBI double in the fifth inning extended his Series hitting streak to eight straight games. He hit in all seven of the 1956 contests. The record of 13 straight games is held jointly by Frank Schulte of the Chicago Cubs who did it between 1906 and 1910 and Harry Hooper, Boston Red Sox, 1915-18.

pitches," said Spahn, who was batted out in a two-run sixth.

"And the pitches I'd like to have back didn't hurt me. "I hung a curve to Berra, but he flied out. I sent a pitch high to Bauer, when I wanted it low. And he grounded to short. I did the same thing to McDougald and he hit it right for a single, but didn't go any place."

Erskine Caldwell's "God's Little Acre" is the world's best selling novel. It has sold more than seven million copies and has been translated into 21 foreign languages.

GIRL SURGEON STARS AT BAT OR FENCING

NEWARK, N. J. (AP) — A tall, green-eyed brunette, senior resident surgeon at St. Barnabas Hospital Center here, has invaded a variety of fields marked "for men only."

No matter whether she wears rubber gloves for surgery, baseball gloves or even fencing gloves, many men will make a bow before Dr. Christine Haycock.

With her rubber gloves she performs surgery and she hopes to become the first woman certified by the Board of the American College of Surgeons in New Jersey.

After work, just to relax, she puts on her leather baseball glove and off she goes to play softball in the National Girls Softball League, with the Linden, N. J., Arians.

Was Champ

With the fencing glove and foil she's equally at home and in 1949-50, while studying medicine, she became New Jersey's woman fencing champion.

She's also a captain in the reserves and was the first woman interne at the Army's Walter Reed Hospital.

But don't think that the pretty young woman surgeon is interested.

She finds enough time for social life, and is an award-winning photographer and an accomplished painter.

Dr. Haycock says she became interested first in baseball, later in softball, by necessity; she was the only girl in an all-boy neighborhood.

"It was either play ball or be lonesome," she explains.

Played Semi Pro

In 1939 she went out for her high school baseball team but the coach wouldn't let her play. So, at the age of 15 she joined the Essex County Semi-Pro League and became the first girl to play in the team.

She played both baseball and softball until she entered the University of Chicago on a partial scholarship and then she began fencing with the university team. She came to New Jersey and won the women's championship.

After graduation from high school

A Kiss For The Missus

Commander William Anderson of Bakersville, Tenn., skipper of the atomic submarine Nautilus, kisses his wife, Yvonne, on arriving at Portland, Eng. The Nautilus participated in recent NATO maneuvers, setting a new underwater voyage record by remaining beneath the surface for more than 14 days while en route to the exercises. Mrs. Anderson flew to England to spend her birthday with her husband. (AP Photo by radio from London)

she worked in a factory as a solderer and while she studied premed she did private duty nursing at night to ease the tuition load on her parents, Mr. and Mrs. John B. Haycock now of Chicago.

Why didn't she get married? Dr. Haycock says she hasn't found the right man yet, adding: "I want a man who can dominate me, and who makes his own decisions."

Anyway until she finds the right man, she is planning to have another year of post-graduate training and then she will qualify for certification by the Board of the American College of Surgeons.

The first life insurance company in the United States was established in Philadelphia in 1759. It was called "The Corporation for Relief of Poor and Distressed Presbyterian Ministers and of the Poor and Distressed Widows and Children of Presbyterian Ministers."

NEW YORK EGGS

NEW YORK (AP) — (USDA) — Wholesale egg prices were firm today. Receipts 16,500. (Wholesale selling prices based on exchange and other volume sales.) New York spot, quotations follow: Includes nearby: Whites: Top quality (48-50 lbs): 56-60; mediums 39-40½; smalls 27½-28½; peewees 21-22. LANCASTER LIVESTOCK

LANCASTER, Pa. (AP) — Cattle 350, good stock steers 22.00. Choice stock calves 26.00. Calves, 25, no market. Hogs, 0, no market. Sheep 0, no market.

The temperature at which glazes melt to a smooth coating on pottery or other ceramic ware ranges from 1,600 to 3,000 degree Fahrenheit.

FARM CALENDAR

Grow Good Wheat — Seneca is a desirable soft red winter wheat for any Pennsylvania farmer who has grown and liked the Thorne variety. Clarence Bryner, Penn State extension agronomist, says Seneca is similar in appearance to Thorne but it is higher yielding and has a heavier weight to the bushel.

Cows Like Chopped Silage — In a comparison of chopped and shredded silage at Iowa State College, cows ate the chopped silage in preference over the shredded kind, reports Burton Horne, Penn State extension agricultural engineer. The shredded silage also was harder to handle than the chopped silage.

Irrigation Aids Crops — Pennsylvania farmers are using more irrigation, according to Henry Wooding, Penn State extension agricultural engineer. It is applied to a wide variety of high-value crops, including vegetables, tobacco, corn, potatoes, peaches and other tree fruits, and on some pastures.

Select Herd Sire — In selecting a good meat-type boar, the swine grower looks for length of body, good topline, trim underline, uniform width, well-sprung ribs, and wide chest, says Dwight Younkin, Penn State extension livestock specialist.

Control Foot Rot — Best control of foot rot in livestock is removal of the most common source of infection, muddy areas where the animals walk, reminds Dr. Samuel Guss, Penn State extension veterinary specialist. Remove sharp stones also.

Berry Crop Varies — The matted row system used by Pennsylvania strawberry growers is satisfactory in favorable seasons. However, during drought or excessive rainfall, the crops have had an increased number of small fruits or a high percentage of decay, says John Rief, Penn State extension pomologist.

Control Rats — First step in rat control is preventing the rodents from entering buildings, remind Penn State extension entomologists. For killing rats, warfarin and pival are good poisons to use in bait. You will be money ahead if you make rat control a year-round program.

Rules Revised — Revised rules of the Pennsylvania Department of Agriculture provide that foundation or registered small grain seed must be planted by seed growers who produce certified seed for sale to

President

(Continued From Page 1) that each case is different.

But Eisenhower said court decisions must be sustained or this is not America.

He also said that no one deplores use of troops more than he does. This, Eisenhower said, is not really American except as it becomes necessary in the support of institutions vital to this country.

Courts Are Bulwark

The courts, Eisenhower said, are not here just to enforce integration. He said they are the bulwark, the shield against autocratic government.

If they can be defied in one respect, he went on, they can in all others and the result would be chaos or anarchy.

It was 15 minutes before the 30-minute news conference got around to any other topic. Then it covered such subjects as:

TEAMSTERS — Eisenhower said federal agencies were alerted long ago to corruption which has been revealed in the union. He said this was with a view to seeing whether any action could be taken beyond legislative steps already proposed. SYRIA — The situation in that troubled nation, where Communists have been making inroads, seems to be solidifying to some extent, the President said.

He said that Jordan, Libya, Iraq and to some extent Saudi Arabia apparently are somewhat less alarmed.

BUDGET — Eisenhower said he doesn't see how the defense bud-

farmers. Only recommended varieties can be certified, reports Clarence Bryner, Penn State extension agronomist.

Best In Drought — Birdsfoot trefoil has given excellent results in drought areas, according to James Eakin, Penn State extension agronomist. Birdsfoot trefoil pastures were about the only ones that produced any sizeable amount of feed in severe drought.

Feed For Growth — Feed plenty of high-quality roughage to dairy calves and heifers, recommends Harvey Shaffer, Penn State extension dairy specialist. Such feeding is important with bred heifers so they can continue normal growth until freshening.

Silage For Cattle — One of the best feeds for beef cattle is silage made from well-earned corn, says Thomas King, Penn State extension livestock specialist.

PERILOUS PREDICAMENTS

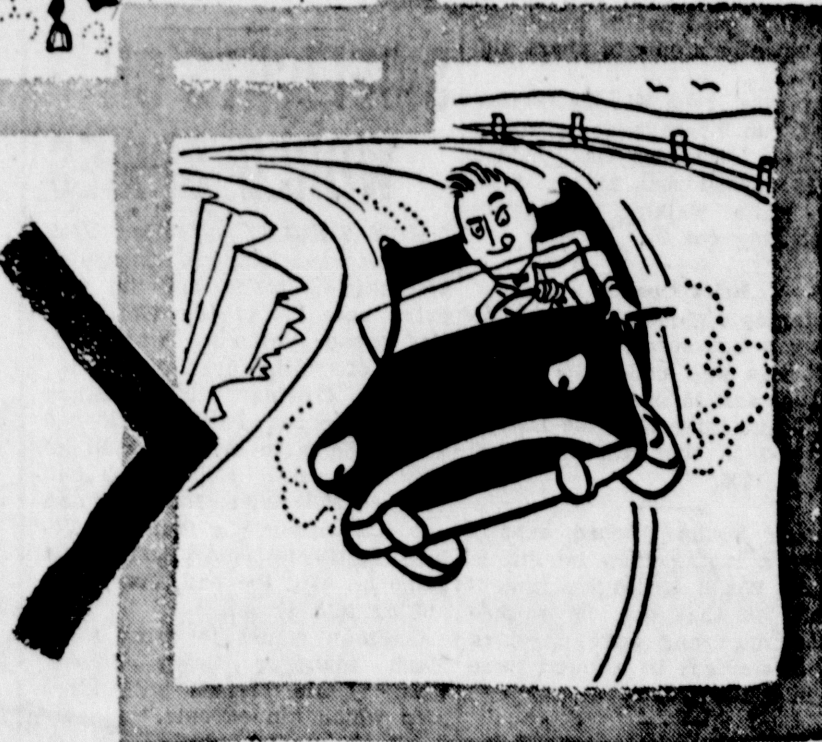

or

Why Let this Happen to You!

In any self-respecting Rodeo the rules say that a buckin' bronc rider can hold on with only one hand. Those rules don't mention the fact that many bones are often broken before the horse is. Care to climb aboard?

But the timorous tenderfoot who won't even mount a merry-go-round maverick is asking for broken bones and worse when he drives with one hand while "fanning the breeze" with the other. On the road, or in the Rodeo, it's safer using both hands.

Farmers May Grow Up To 30 A. Of Wheat For Use On Farm If They File Application By Oct. 15

Adams County farmers who wish to grow up to 30 acres of wheat for use exclusively on their own farm may do so in 1958 provided they make arrangements with the Adams County Agricultural Stabilization and Conservation Committee, 146 York St., by October 15.

J. Glenn Miller, office manager for the Adams County ASC, noted today that the general provisions of recent legislation permitting farmers whose wheat acreage allotments are less than 30 acres to grow up to 30 acres of wheat for use exclusively on the farm where the grain is grown applies only to 1958 and future crops and do not apply to the 1957 crop.

He added that number of limitations are placed on the production and use of wheat under the new provision producers, to be eligible to grow up to 30 acres without penalty must sign an application prior to October 15 and the application must be approved by the county ASC office.

Can't Be Taken Off Farm

He added: "The application, which sets forth the conditions of the program, must show the expected disposition of the wheat. An application may be cancelled at any time at the producer's request, but marketing quota provisions will then apply.

"If the producer signs up for the feed wheat exemption provisions under the law, the entire crop of wheat must be used on the farm where produced for seed, human food, or livestock and poultry feed. Not more than 30 acres of wheat may be grown on the farm and none of the wheat may be sold, bartered or exchanged, except under certain conditions, nor will it be eligible for price support.

"The livestock or poultry fed must be owned by the producer, or subsequent owner or operator of the farm. None of the wheat may be removed to another farm or any use on such farm.

Must Permit Inspection

"If the wheat is to be ground into feed or flour at a mill, all of the processed product and by-products must be returned to the farm. The producer may not pay for the service of grinding by giving the by-products or any of the grain to the mill.

"Producers participating must permit inspection of the wheat crop and records relating thereto by

representatives of the county committee or secretary.

"No marketing card will be issued for farms covered by the feed wheat exemption provision, since none of the wheat from such farms may be sold. If the conditions on which the exemption is granted are violated, the exemption becomes null and void and the producer will be subject to penalties under wheat marketing quota regulations.

Must Keep Records

Producers who participate in this program must maintain adequate records of the disposition of the crop of wheat produced on the farm and of any other wheat acquired and used on the farm. A disposition report of the 1956 crop must be filed with the ASC county committee not later than September 1, 1959, or within one year after the crop is disposed of, whichever is later.

Producers who participate in this program for the 1958 crop of wheat will not be eligible to vote in a referendum of 1959 wheat marketing quotas, if quotas are proclaimed.

The provision in effect under past programs permitting producers to market wheat without penalty where harvestings are 15 acres or less regardless of the size of the wheat allotment will still be available to producers on farms which are not participating in the feed wheat exemption provisions. However, any producer who elects to participate in the feed wheat exemption provision of the program will not be eligible to market any of his wheat and the 15-acre provision will not apply to the farm.

Not Automatic

The exemption relating to the feed wheat provision is not automatic and only producers who execute a proper application by the final sign-up date and such application is approved will be eligible to use this exemption.

A producer who participates in the 1958 Wheat Acreage Reserve of the Soil Bank will not be eligible to use the provision of the 30-acre feed wheat amendment. A producer who wishes to participate in the feed wheat provision will have to cancel his Wheat Acreage Reserve Agreement prior to the closing date for cancellation of Wheat Acreage Reserve Agreements.

Basic Provision

A basic provision of the Acreage Reserve Program requires that a producer must comply with all acre-

(Continued From Page 1)

Earlier 30 Guardsmen, forming a solid military box, escorted eight Negro students into school through ranks of hooting, jeering white students.

It was the heaviest guard yet provided since nine Negro students began attending the school nine days ago under troop-enforced integration. The heavy guard came after yesterday's disorders inside the school where two Negro boys were pushed around and kicked by white students.

One Negro Missing

One of the six Negro girls did not report for classes today. A military spokesman said she was sick but did not know the cause of her ailment.

Regular Army paratroopers took over from federalized National Guardsmen on patrol inside the big high school.

When the Negroes arrived in a military station wagon this morning, they stepped out between the two solid ranks of Guardsmen. As they proceeded across the campus other Guardsmen moved in front and behind them to form a solid military box.

The maneuver brought a wave of hooting from some hundred or more white boys and girls gathered before the main entrance.

Retiring Secretary of Defense Charles Wilson, almost hidden behind a battery of microphones, smiles as he gets question from his wife during Washington press conference which was scheduled as the last one before his successor, Neil Elroy, takes over. Seated next to Mrs. Wilson is C. H. Schooley, Pentagon public information director. (AP Wirephoto).

A brass band organized at Topeka, Kan., in 1984 to boost James G. Blaine's campaign for the presidency is still performing under its original name — the Marshall Band.

A Family Affair

ADVANCE PLANS

(Continued From Page 1)

each classroom, will be included in the base bid on the new building, it was decided.

Sink units in each room will have running water but only the eight for the beginner grades, which will have toilet units, will have hot and cold water. Only cold water will be supplied to the sinks in the other rooms, excepting the special education rooms.

Go Over Electrical Work

Considerable time was spent on the extensive electrical work involved in the new building. Directors went over in detail the plans for classroom, corridor and other interior lighting and the lighting for the exterior of the building and the grounds. Each classroom will have an electrical clock but no central control system for the clocks will be included. Buzzers will be used in classrooms for "program control" and horns will be placed for that purpose in the all-purpose room and on the playground.

Details of the type of intercommunication system between the office and most rooms of the building were worked out and it was decided the complete sound system, estimated to cost about \$4,000, will be included in the base contract. Several outside drinking fountains on the new building.

will be provided on the playground side of the building.

Keep Eye On Costs

Throughout the evening, the directors continued to show interest displayed at earlier meetings on the new building in keeping costs down and cutting out everything that can be omitted without endangering the board's original intention of "providing the best possible school facilities at the least possible cost." Initial cost and maintenance and operating costs are being considered, Buchart men said. A study on initial cost, maintenance and operation is being made before there is a decision on the number and type of boilers to be used in the school's heating plant.

The directors decided against individual electrical cooling units for drinking fountains in the building as a cost-saving item. Outside ornamental light standards at the street were dropped to cut cost and because it was felt that regular street lights there will be adequate.

Charles S. Bender, a member of the Gettysburg School Authority Board, was a spectator at the meeting. The authority board has expressed an interest to the board in keeping costs down on the new building.

The next regular meeting of the joint board is scheduled for October 14. Two meetings a month have been held recently to expedite work.

HOFFA ELECTION SEEMS CERTAIN; HICKEY QUILTS

By JIM THOMASSON
MIAMI BEACH, Fla. (AP)—Thomas L. Hickey of New York today withdrew as a candidate for the Teamster Union presidency in favor of William A. Lee of Chicago.

There were indications, too, that Thomas X. Haggerty, also of Chicago, might pull out to leave Lee as the sole opponent of James R. Hoffa, leading contender for the union's presidency.

Hoffa appeared a sure winner, but his opponents were determined to carry the convention decision for control of the giant scandal-scattered union to a record, rollcall vote.

See Big Secession
That would serve the purpose of lining up Hoffa and anti-Hoffa forces against one another for what could shape up as a big secession of the anti-Hoffa forces from the Teamsters.

Election of Hoffa almost certainly means a Teamsters Union ouster from the AFL-CIO, with secession of some Teamsters units back to the AFL-CIO. Hickey, for one, has said he will do just that.

Hickey's withdrawal statement said he has been a candidate against Hoffa because he firmly believes the union owed an obligation to its members to "restore the good name of the Teamsters Union" and keep it within the AFL-CIO.

With voting for new officers scheduled to start this afternoon, and Hoffa an apparent certain winner, the union faced a possible new court challenge of its convention actions because of alleged rigging of delegates.

Eye Court Action
Teamster delegates showed little disposition to attach significance to the AFL-CIO expulsion threat. In a tumultuous session yesterday, they gave Hoffa a clean bill of health by angrily voting to expunge the corruption charges from the convention record.

On the other hand, Hoffa forces in firm control of the convention, eyed the coming court action more cautiously. They denied convention seats to 251 delegates whose credentials have been questioned.

Delegates also indicated in a lengthy demonstration that Hoffa is an overwhelming favorite when the convention reaches its major item of business — election of new officers—probably today.

Parade For Hoffa
During a lull in the convention, delegates began parading, chanting a frenzied "We want Hoffa." Nearly 90 per cent of the Teamsters in the convention hall appeared to take part.

When Hoffa appeared on the speaker's platform, several husky Teamsters climbed up and hoisted him to their shoulders.

Beck, Hoffa and two other Teamsters officials are accused of improper conduct in an AFL-CIO Ethical Practices Committee report based on hearings before a Senate labor rackets investigating committee.

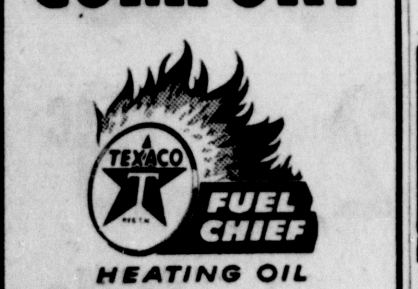

Young Teacher Killed In Crash
MECHANICSBURG, Pa. (AP)—Richard J. Crouse, 25, of Zullinger, Franklin County, was killed today in a collision of his automobile and a tractor-trailer on Route 641, a mile east of Mechanicsburg.

State police said that Crouse, a teacher in the Mechanicsburg Junior High School, was traveling east and collided with the westbound truck driven by John R. Campbell, R. 1, Elizabethtown.

Campbell escaped injury. Cornerer Martin Myers of Cumberland County pronounced Crouse dead at the scene.

Crouse was a graduate of Shipensburg State Teachers College. He maintained a Mechanicsburg address during the school term.

Participates In NATO Exercise

Pvt. Raymond J. Wetzel, son of Mr. and Mrs. Raymond J. Wetzel, Orrtanna, R. 1, recently took part in the North Atlantic Treaty Organization exercise, "Deepwater."

The annual open house and fall with the reinforced 6th Marine Regiment. The exercise included an amphibious assault landing on the beaches of the Saros Bay Area off the Thracian Peninsula of Western Turkey.

One of the series of regular exercises, "Deepwater" was designed to test and train the military defensive capabilities of the land, sea and air forces of the participating NATO nations.

GOVERNOR SAYS PEACE EFFORTS DISCOURAGING

WASHINGTON (AP)—Efforts to obtain peaceable school integration at Little Rock, Ark., and withdrawal of federal troops from that city were stalled on dead center today.

The federal-state dispute developed after Gov. Faubus used Arkansas National Guardsmen to keep Negro students out of Central High School. Eisenhower then employed federal paratroopers to get the students in—after removing the guardsmen from the governor's command.

A team of four Southern governors thought they had worked out a settlement with Eisenhower two days ago, but a new dispute arose over Faubus' wording of assurances Eisenhower demanded from the governor. Faubus refused to alter his statement.

Called "Discouraging"
Gov. Frank Clement of Tennessee, returning to Nashville last night, said he never has experienced anything "so discouraging as this."

Clement said he had talked by telephone with Gov. Luther Hodges of North Carolina, who headed the governors' delegation to the White House. Clement said Hodges told him from Raleigh that a representative of the governors had left Little Rock and had reported no change in the situation.

In Raleigh, Hodges said he hopes the impasse "is something in the way of a misunderstanding." Hodges said he does not plan to go to Little Rock, and that another meeting of the governors' committee is not imminent.

In Shreveport, La., Rep. Brooks Hays (D-Ark) said he has no plans now for trying to arrange another meeting between Eisenhower and Faubus. Hays said, however, he may make such an attempt later.

Where is Antenna Penn? Have you ever heard of it?

Well some postal clerks and carriers from Florida to Pennsylvania know where it is. Recently a newspaper was mailed from Winter Haven, Florida, addressed to "Mrs. Gladys Berry, Antenna, Penn."

The name of this non-existent community didn't daunt the post office boys. They promptly bagged it for Gettysburg, Pa., from where it was delivered to Mrs. Gladys Berry at "Ortanna."

Why do women cry?
The answer was recently given by researchers who said that Milady's "heart speeds up, her skin becomes cold, digestive action is halted and blood pressure is raised. Then, when the tension breaks, the eye lotion of the tear gland, which is located just beneath the outer bony rim of the eye socket, begins to flow.

"Tears sweep across the eyeball and collect at the inner edge of the lids in a sort of

partment while the assistant is a skilled engineer who handles the engineering work of the department.

Helm told the group the "Leader" budget is equal to \$3,000,000 per day, 365 days a year or \$1 every three days for every man, woman and child in the Commonwealth.

County Republican Chairman William I. Shields introduced Helm as "possibly our next governor," which drew applause from the audience.

Among those introduced and who in some instances spoke briefly were Congressman S. Walter Stauffer, State Senator Douglas Elliott, Assemblyman Francis Worley, former Secretary of Revenue Otto Messner and former Director of Safety H. Earl Pitzer.

Others introduced included Sebastian R. Hafer, president of the Adams County Young Republicans; Mrs. A. W. Butterfield, president of the Adams County Council of Republican Women, and these candidates for county office: Charles Baird, sheriff; Clark Spence, treasurer; Kenneth Johns, clerk of courts; Clarence Deardorff, associate judge, and Mervin I. Rice, jury commissioner.

Next Rally Nov. 1
The committee which arranged for the bean soup supper and rally included these Littlestown committeemen and women, Gerald W. Daley, Edward Harner, Roberta Welker, Edwin F. Hawk, G. Richard Knipple and Stanley R. Weikert; Adrian Yantle of the county Republican Executive committee; Crosby N. Hartzell of the county executive group and President Hafer for the Young Republicans.

Gobreck's Little German Band provided the entertainment during the supper program. The next county wide Republican rally will be held November 1 at 8 p.m. at the court house, Chairman Shields announced. State Republican Chairman George I. Bloom will be the speaker at that program.

COMMENT PRESIDENT
NEW YORK (AP)—The National Council of Churches has commended President Eisenhower's handling of the Little Rock school integration crisis, and praised Christian forces in the Arkansas city for "standing up for justice law and self-discipline."

The commendation of the Pres-

Bavarians Enjoy Music By James

MUNICH, Germany (AP)—Trumpeter Harry James and his orchestra came straight from Hollywood's Palladium to Munich's Deutsches Theater to make music for Bavarians instead of Californians. And the crowd loved it.

Until the wee hours of this morning, 2,400 fans filled the theater to capacity, stomped, whistled and clapped their hands in rhythm to "Goodie-Goody," "Lullaby of Broadway" and the "Two O'Clock Jump."

It was opening night for James' first European tour, which will take him to Switzerland, Italy, Austria, Belgium and France in the next three weeks.

"I'm not going to do that new rock 'n' roll stuff over here," James said. "We'll show them the good old big band jazz."

CANCER CLINIC IS RESTRICTED

PITTSBURGH (AP)—The Hoxsey Cancer Clinic of Portage, Pa., can no longer deal with out-of-state patients, either directly or by mail.

A permanent injunction restraining the clinic from accepting such patients was issued yesterday by Judge John L. Miller of U.S. District Court. It becomes effective Nov. 1. A temporary injunction issued earlier this year remains in effect until that date.

John J. Haluska, clinic administrator, signed a consent decree, ending a seven-day hearing before Judge Miller.

U.S. Atty. D. Malcolm Anderson said Haluska also told him the clinic would drop an appeal from an earlier federal court decision forbidding use of pills seized at the clinic.

"This means that the Hoxsey cancer treatment has been completely discredited and cannot be used in the treatment of patients coming from other states," Anderson said.

John H. Nicholls, police chief on Pelee Island, Ontario, Canada, hasn't made an arrest in 15 years. He doesn't have a jail, anyway.

ident came near the end of a meeting yesterday of the council's general board, its interim governing body.

BILLING BEAR WINS RACE CUP

LIGONIER, Pa. (AP)—Billing Bear, owned by Mrs. Cordelia S. May of Pittsburgh, beat off a stretch challenge by favored Montadet yesterday to win the \$2,500 Rolling Rock Hunt Cup in the 20th annual Rolling Rock Races.

With Jimmy Murphy in the saddle Billing Bear repeated his 1954 victory in the two-mile over brush event in the identical time posted three years ago—4:14.

Cherwell, another Pittsburgh entry, posted a track record of 4:13.3 in winning the Byers Cup, a 2½ mile test over timber. He is owned by Mrs. W. C. Robinson Jr. Night Command, owned by Mrs. Amory Hutchinson, finished second.

Other Events
Luck Time, owned by Philadelphia's P. E. Divon Jr., had little trouble winning the Rector Race in 3:51.3. Charles A. Moore's Borghese was second in the one and three-quarter mile event over hurdles.

Easy Stages took the Malcolm McGiffin Cup in a mile and a half run over the hurdles in 3:22. Jackow was second.

Mrs. William Wright's The Saint II won the final race of the day, the one-mile Ligonier on the flat in 1:35. Beacon Hill Farm's Gala Dice finished a close second.

The \$5,000 International Gold Cup race will be the feature of Saturday's five-race program. The winner qualified for England's Grand National.

Order Flutist To Mute His Flute

BUFFALO, N. Y. (AP)—Robert L. Dietrich will have to keep his flute mute at home from now on. Dietrich, a flutist for the Buffalo Philharmonic Orchestra, was piped into city court yesterday by neighbors who complained that Dietrich practiced three to five hours a day—playing the scale "up and down—never a tune."

Judge James B. McKenna invited Dietrich to blow in his own defense and listened carefully as Dietrich fingered a scale or two. "That," said the judge, "could drive a person insane."

He found Dietrich guilty of "disturbing the peace, quiet and comfort" of neighbors, suspended a \$250 fine and placed him on probation for one year.

REPORTER IS NABBED AFTER FRAUD EXPOSE

LOUISVILLE, Ky. (AP)—A series of newspaper articles exposing alleged irregularities in the Jefferson County police force brought indictments against 12 persons, including the writer of the articles—yesterday.

The Jefferson County grand jury indicted the writer's city editor, a former police chief and four suspended officers.

Barry Bingham, president of the Louisville Courier-Journal and Louisville Times, called charges of knowingly receiving stolen property against his two employees fantastic.

The jury indicted writer Hank Massick and city editor John Herchendorf, accusing them of having in their possession a receipt allegedly stolen from former Police Chief Walter R. Layman.

Photographs of the receipt appeared in the Courier-Journal with the first of a series of articles by Massick, charging Layman "paid off" a robbery-victim to avoid possible criminal prosecution against his son Walter R. Layman Jr. The chief resigned the next day.

The jury returned indictments against Layman; his 21-year-old son; former County Detective H. T. Gilmore; Howard A. Burkland, owner of a county subdivision; and Capt. Carlos Johns, Sgt. P. H. Zimmerman and Patrolman Myron Marrs, all under suspension from the force.

Marrs' indictment charged him with theft of the receipt which was shown in the newspaper.

Fairfield

FAIRFIELD—The theme for the September Cub Scout program was "Homesteading" and displays of the work done during the month by Pack 76 of Fairfield were exhibited at the Wesley Chapel Hall, Fountaindale. On display were models of covered wagons, log cabins, homestead soap and many other interesting reminders of the days of homesteading.

On entering the hall, two committees members escorted each person to the "government land office." Here were issued copies of the "homestead improvement record" and "land grant certificates." These were filled in with the signatures of four neighbors and the length of Homestead Creek and the number of stones on a pile at the end of the creek were guessed by those attending. The certificates were then presented to the "land agent." Winners in the land grant contest were Mrs. Merle Kittling, Mrs. Doris L. Cline and Mrs. Loretta Gladhill.

The business meeting was conducted by Assistant Cubmaster Kermit Spence, assisted by Cubmaster Paul Crist. The meeting opened by the pledge of allegiance, led by Gary Spence, and the singing of "Oh Suzanna" and "Home on the Range," under the direction of Mrs. Francis Schultz. Awards presented were as follows: Webelos Badge, Jack Musselman; Bear Badge, Harvey Gladhill; and Michael Reindollar; Wolf Badge, Roger Benner, Larry Hall and Gary Hall.

Announcements were made by committeeman David Heinley and the meeting adjourned with the group singing "Blest be the Tide that Binds." Seventy-eight Cub Scouts, parents and guests were present.

Miss Barbara Bushey, a graduate of Delone High School with the class of 1957 has enrolled at Mt. Aloysius College, Cresson, Pa. Miss Bushey, a daughter of Mr. and Mrs. Joseph Bushey, will study to become a medical secretary.

Edward Chronister, grandson of Mr. and Mrs. William Musselman, here, and son of Archie Chronister and Florence Musselman Chronister, Hanover, became an Eagle Scout at ceremonies in Hanover last Sunday afternoon. A second award received by him was the Pro Deo et Patria award. This is given to Scouts show concern for Christian

School Bus In Ravine

Rescue workers bend over victims of school bus tragedy at Los Angeles after vehicle plunged onto a footbridge and went into a 31-foot deep ravine, landing upside down. Witnesses told police bus careened wildly down street before smashing into ravine. It was loaded with pupils homeward bound from a parochial school. Three children were killed and 21 injured beside the driver. (AP Wirephoto)

Milestone

Sen. Theodore F. Green celebrates a doubly rare event in Providence, R. I., his 90th birthday and the chance to observe it at home. The Sen. or, oldest man ever to serve in the Senate, leaves today to visit northern NATO countries in his capacity as chairman of the Senate Foreign Relations Committee. (AP Wirephoto)

Leadership in active church membership and who complete specific projects for the church. The Pro Deo is the highest award the Lutheran Church bestows in Scouting. Mr. and Mrs. Rowan McClellan have moved from Cumberland, Md., to their new home on Franklin St. Mr. and Mrs. S. L. Allison and Mr. and Mrs. Walter Leister spent the weekend at the home of Mr. and Mrs. Robert McCullough, Falls Church, Va.

Seventeen members and guests attended the Lions Club meeting held in the Lutheran Parish House Tuesday evening. The group was served a fried chicken dinner by the ladies of Zion Church. The business meeting was conducted by President Charles Lott. A report on the summer's activities including the club sponsored Little League baseball team, was given by Richard Straup. The next dinner meeting will be a 100 per cent attendance meeting and every member is urged to attend so the goal may be reached.

Friday evening at 7:30 o'clock in the Lutheran Parish House, Dr. Bertha Paulsen, professor in Christian Psychology and Sociology at the Gettysburg Seminary, will address the Dorcas Guild of the church. Her topic will be "The Congregation's Ministry to Its Aging."

FOUR MORE GAMES CANCELED BY FLU

NEWARK, N. J. (AP)—Four more high schools canceled their weekend football games today as a mild form of influenza continued to spread among New Jersey scholastic players.

Ewing Township High dropped its game against Trenton High today because two-thirds of its team is ill. Only 21 of the 55 squad members have been showing up for practice.

A flu outbreak in Hightstown has resulted in the closing of schools there and Peddie Prep cancelled its game against Bordentown Military Institute. BMI will play Dover instead.

Dover has been scheduled to play Garfield High but flu ailments have sidelined the Garfield gridder.

Lodi High canceled its game against Hackensack and Paterson Central High announced it won't be able to meet East Rutherford.

Passaic had announced previously that it could not play Clifton Saturday.

Forty-two billion cans were opened in the United States in 1956. That is 250 for every man, woman and child in the country.

In 1794 the Insurance Company of North America was the first general company to sell life insurance on these shores. In their first five years they sold only six policies.

Snake Bite Victim Made Record Of Poison Effects

CHICAGO (U-P) — The Chicago Tribune said today that Dr. Karl P. Schmidt, internationally known snake expert who died less than 24 hours after being bitten by a snake, made a detailed scientific record of the effect of the poison from the reptile.

The Tribune, which obtained the death diary, termed it one of the most unusual documents in medical history. It also said it learned a coroner's physician's findings will show Dr. Schmidt's death was caused by three cerebral hemorrhages directly attributable to the venom of the boomslang, or tree snake native to South Africa. Dr. Schmidt, 67, who was curator emeritus of the Chicago Natural History Museum, was bitten Sept. 25 as he was examining the snake. He died less than 24 hours later.

Noted Snake Behavior
His death account, the Tribune said, began with a description of the snake, its examination and a statement that he concluded it was a boomslang because of its characteristic behavior when it bit him on the left thumb.

The Tribune said Dr. Schmidt's associates said he made the record with no foreboding that it would be climaxed by death. He and others at the examination felt he had not gotten a lethal dose from the bite. His associates suggested that he make the record of symptoms that might develop.

"We believed the bite to be minor and without danger," said one associate. "It was from a young snake that had been in captivity for some time. Snakes tend to lose quantity and toxic quality in venom when in captivity."

Not Considered Serious
He said Dr. Schmidt did not consider an antivenom serum because "at no time were the reactions apparently serious."

The Tribune said the diary covered a 15-hour period from the time he boarded a suburban train on the day he was bitten until

the next morning. Associates said he believed he had recovered and was planning to return to work.

The last entry was made after breakfast Sept. 26. Associates said Dr. Schmidt apparently made no further entries because he was up and around later in the morning and had notified the museum he would be back at work the next day. Unattended by a physician, he went into a coma at 2 p.m.

An inhalator squad was called, and worked to no avail. He was taken to a hospital. The coroner's record gives 3:15 p. m. as the time of death upon arrival at the hospital.

Korean Boy Killed By Yankee Guard

SEOUL (U-P) — A U. S. Army train guard shot and killed a 15-year-old Korean boy near Taegu today.

The guard was identified as Specialist 3.C. Raymond L. Bailey, Brownsburg, Ind.

The Army said Bailey found several youths tampering with the door of a sidetracked boxcar at Kunchon. He ordered them in Korean to halt but they fled.

Bailey told military investigators he fired a shot in the air, then one at the ground in the direction of the fleeing boys. Song Joong Won was wounded and died an hour and a half later in the provincial hospital.

12 Canadians Die In Flu Epidemic

TORONTO (U-P) — The number of deaths blamed on Canada's spreading influenza epidemic mounted to 12 today, but one expert said Asian flu would not be the worst killer.

"The Asian type is much less severe than our Canadian influenza we have each year," commented Dr. Roger Foley, Quebec provincial epidemiologist.

Casey With His Opening Day Stars

PENN STATE U. INSTALLS NEW PREXY TODAY

UNIVERSITY PARK, Pa. (U-P) — Dr. Eric A. Walker, 47-year-old Harvard-educated engineer, was inaugurated today as the 12th president of Pennsylvania State University.

"I accept with humility and with pride this office as the symbol of the office of the president," were the opening words of his inaugural speech.

Dr. Walker received the mace from the hands of George H. Deike of Pittsburgh, president of the board of trustees of the university.

at a simple ceremony in the recreation building on this sprawling campus.

"Great Challenge" Ahead

A few minutes later, Dr. Walker told his audience that in the next decade, a span that normally should fall within his term, Penn State "faces the greatest challenge in its history."

This challenge, he said, stems from "two harsh, irrevocable facts." "In the first place, we have given the Commonwealth of Pennsylvania, at long last, a state university. We want this university

to be one the people of Pennsylvania will be proud of.

"Much To Do"

"But so far we have realized this ideal only imperfectly, and we have much to do before we can take our place, in fact as well as in name, among the great universities of the nation."

"And, in the second place, we now know that we shall be expected to provide an education for at least twice as many Pennsylvania youths within the next few years as we have provided in the past," he said.

Dr. Walker assumed the presi-

BAHAMA WINS DECISION OVER DEL FLANAGAN

CHICAGO (U-P) — Del Flanagan, veteran St. Paul battler, may have a hard time holding his No. 10 rating in the middleweight division.

He lost a 10-round unanimous decision to unranked Yama Bahama of the West Indies in a nationally televised match at Chicago Stadium last night.

Flanagan, who has had 102 bouts and lost only 15, weaved, bobbed, danced and backtracked much of the time. There were no knock-downs.

Most of the action was packed into the sixth round when Bahama caught the circling Flanagan with a fine left hook and followed with a right smash. Flanagan staggered into the ropes but managed to stay on his feet.

Bahama, outweighing his foe 154 to 153 pounds, constantly caught him with jolting lefts as he lunged in to throw a right. Flanagan failed to land a real solid blow all evening.

Referee Frank Sikora scored for Bahama 49-43 under the maximum five-point system. Judge Frank McAdams had it a close 47-46 and Judge Frank Clark saw it 50-42. The Associated Press Card favored Bahama 50-44.

Only 1,003 ringside fans turned out, contributing to a gross gate of \$1,340.

density of the 17,000-student university last October following the resignation of Dr. Milton S. Eisenhower. Dr. Eisenhower left Penn State to become president of Johns-Hopkins University.

Declares Reds Are Active in Buffalo

BUFFALO, N. Y. (U-P) — A Buffalo police officer says that Communist penetration of the Buffalo area is "quite extensive" and that his men have uncovered between 500 and 600 members of the party in the past five years.

Lt. Winthrop Phelps, head of the Buffalo Police Department's subversives squad, made the statements yesterday in testimony before a House Subcommittee on un-American Activities.

Phelps was one of 12 persons to appear before the committee on the second day of a four-day public hearing on Communist activities in this area.

Blames Churches For Family Failures

CLEARFIELD, Pa. (U-P) — An Indiana minister says part of the blame for family failures rests with churches.

"The church fails to prepare people for the responsibility of family life and to put around them a community where a Christian family can breathe," said the Rev. Richard E. Lentz of Indianapolis.

His remarks were contained in a speech delivered yesterday before 700 delegates to the Pennsylvania State Sabbath School Assn convention.

The three-day meeting closed today. Greensburg was selected as the site for next year's convention.

HARRISBURG (U-P) — Some 1,000 delegates to the 37th annual Pennsylvania Education Congress today sat down to several hours of discussions on various facets of the teaching profession.

The two-day conference closes today with a forum conducted by

29 KILLED IN PLANE CRASH

BEIRUT, Lebanon (U-P) — A gold-carrying Lebanese airliner crashed in flames into the Mediterranean off Beirut today, killing all 29 persons aboard. The pilot was an American.

The twin-engine plane was flying for the Lebanese International Airways, which had been operating only about a week.

An airline agent said the American pilot was a Capt. Collmar, whose home town could not be learned immediately.

Four Britons reportedly were among the passengers. The airline said the others aboard were Lebanese, Syrians and Arabs from Persian Gulf areas.

Bound for Kuwait and Bahrain, the aircraft was carrying 15 boxes of gold for the Kuwait government.

MARKET LOSES GROUND

NEW YORK (U-P) — The stock market moved lower in moderate early trading today. Aircraft took sizable losses.

Among most key stocks declines of fractions to around a point were registered. Some 2-point losses appeared among aircrafts. A few stocks in other divisions held to the upside.

After two days of general recovery from a point near the 1957 lows the market's rallying movement lost its momentum. The trend was irregularly lower in active opening but in later dealings the tone was more definitely developed to the downside.

Dr. Medill Blair, regional superintendent of Pennsylvania Joint School and chairman of the Congress Education Committee.

\$1,000,000 TO BETTER YOUR LIVING

take advantage of this **WONDERFUL HOME IMPROVEMENT OFFER—RIGHT NOW NO DOWN PAYMENT**

Now you can make those needed repairs, remodel, modernize, build an addition to your home—and pay for everything on amazingly low budget terms that you can easily afford, with no down payment required.

GET SET FOR WINTER NOW

- **ADD A ROOM**
- **REMODEL**
- **REDECORATE**
- **INSULATE**

You can get all the materials you need for "do-it-yourself" or have the entire job done by an experienced contractor—either way, all costs are covered by this offer.

LOOK what a few pennies a day will buy

Here are just a few examples of the materials you can get, and the complete jobs that can be done on the average size home, for just a few pennies a day paid in monthly installments:—

- for just 20c a day -

All the paint you need to paint both the inside and outside of your home, new combination storm doors installed on every exterior door, a new floor installed in any room of your house, or a complete attic insulation job.

- for just 35c a day -

All the pre-finished wood wall paneling you need to do an entire room, a new overhead garage door completely installed with radio remote control operator, or modern folding doors for every room in your home.

- for just 50c a day -

Combination storm windows completely insulated in every window of your home, all the lumber and materials you need to finish your attic, or all the tile and other refinishing materials to modernize your bathroom.

- for just 75c a day -

An entire new roof installed on your home, a complete new siding job (you select the roofing or siding you want), or a completely installed carport, breezeway, or porch enclosure.

- for just 95c a day -

A complete kitchen remodeling job, a completely installed basement recreation room, or all the materials you need to build a two-car garage and we'll install the overhead doors.

Wolf Supply Co., 27 N. Stratton St., Gettysburg, Pa.

I would like to have more information on your Home Improvement Budget Plan—terms, length of payments, when payments start, etc. I understand I am not obligated in any way for this information.

EXPECT EGYPT TO BLAST OUT AGAINST U. S.

UNITED NATIONS, N.Y. (AP)—Another Arab blast at the West—this time from Egypt—was anticipated today in the continuation of the U.N. Assembly's marathon general debate.

It was believed Fawzi would echo Saudi Arabia's contention yesterday that the shipment of Communist arms to Syria is nobody's business but Syria's. Egypt's arms now also come from the Soviet bloc.

U.N. sources said, however, that Egyptian diplomats have been openly concerned over Soviet Foreign Minister Andrei Gromyko's remarks on the Middle East early in the general debate.

These sources said Egypt fears the United States and Russia are turning the crisis in the area into a political football. They are apprehensive that a full-dress debate in the Assembly at this stage might result in taking the situation out of Arab hands and making the outcome dependent on the East-West power struggle.

The anti-Western broadside from Saudi Arabia—previously considered pro-Western in its views—virtually ruled out any chance of the West engineering a general debate on the Middle East before this Assembly.

Secretary of State Dulles declared in his policy speech that the Assembly ought to discuss Soviet inroads into Syria as soon as possible. But with the Arab states apparently unanimous in denying that any such incursion has taken place, diplomats saw little chance of putting the matter on the agenda.

EMMITSBURG'S

(Continued From Page 1) when the congregation at its annual meeting officially voted to observe the occasion with a series of special services during the beginning of this month.

Services During Week
Next Wednesday evening there will be a Festival of Music. There will be a Community service Friday evening, October 11, and a Homecoming service Sunday, October 13.

The Rev. John Bishop, director of Camp Nawakwa and assistant pastor of St. James Lutheran Church of Gettysburg, will assist the pastor and preach the sermon at the Holy Communion service Sunday. The Gettysburg Lutheran Theological Seminary Choir directed by Robert Clippinger will sing Wednesday night and the Rev. Roy Yund, York, will deliver a sermon. Guests of honor at the community service Friday night will be neighboring pastors and members of their congregations. The Friday night preacher will be the Rev. Francis B. Myers, regional Evangelism Mission director of the United Lutheran Church, and greetings will be brought by the Rev. Dr. J. Frank Fife, president of the Lutheran Synod of Maryland.

The historical sermon will be delivered by the Rev. Frederick Wentz, of the Gettysburg Theological Seminary at the anniversary Homecoming service Sunday morning, October 13, 10:30 o'clock. Merwyn Fuss, president of the Brotherhood of the United Lutheran Church in America, will address the Sunday School at 9:15 a.m. October 13.

Approximately 300 invitations have been sent to former members of the church and many are expected to attend the Homecoming service and remain after the service for fellowship lunch in the parish house. The public is invited.

McSherrystown K. C. Installs Officers

Beard I. Noel was installed as grand knight of McSherrystown Council 2551, Knights of Columbus, Tuesday night at ceremonies conducted by Joseph Fleckenstein, 32nd district deputy warden, in the lodge home.

Other officers installed were: Rt. Rev. Msgr. Patrick F. McGee, chaplain; Thomas Murren, deputy grand knight; Richard Cashen Jr., chancellor; J. M. Stadl, financial secretary; Jean B. Noel, recording secretary; Brook F. Yantis, warden; Ray P. Hemler, treasurer.

Francis Yake, advocate; Edward McMaster, outside guard; Francis Krepps and Richard Hockensmith, inside guards; Stanislaus Krichen, lecturer, and Curtis Smith, Francis Murren and George Neiderer, trustees.

Changed Wording

Arkansas Gov. Orval Faubus tells newsmen in Little Rock that he is "standing pat" on his statement to President Eisenhower. The hitch in what appeared Tuesday to be a workable solution to removal of federal troops and agreement between Faubus and Eisenhower developed over the governor changing the exact wording which had been worked out. Faubus added "by me" to the prepared statement that there would be no further obstruction to the integration order.

(AP Wirephoto)

LET CONTRACTS FOR BORINGS

HARRISBURG (AP)—The General State Authority yesterday awarded contracts for test borings for eventual construction of state teacher college and hospital buildings.

Contracts awarded were in preparation for these construction projects:

Cheyney State Teachers College, Delaware County, two buildings, Smeltzer and Faherty, Scranton, \$1,500.

Farview State Hospital, Wayne County, three buildings, Smeltzer and Faherty, \$2,775.

Millersville State Teachers College, two buildings, Thomasville Drilling Co., Thomasville, \$1,541.

At the same time the GSA called for bids Oct. 16 for test borings at East Stroudsburg State Teachers College, Monroe County where a library and administration building will be erected.

Bids also were received for best borings for construction of dietary facilities at Pennhurst State School, Chester County. The unofficial low bid of \$950 was submitted by Radpath and Potter Co., Philadelphia.

Fail To Locate Reported Crash

AVOCA, Pa. (AP)—Police and aviation officials searched a wide spread area of East-Central Pennsylvania early today after a report was received of a flash believed caused by a plane crashing in rugged terrain.

No trace of a crashed plane could be found, however, and a check of all commercial and military bases indicated no craft missing.

Civil Aeronautics Administration officials at the Avoca Airport—which serves the Scranton-Wilkes-Barre area, said three commercial flights and a military plane pilot reported seeing the flash shortly after last midnight.

State police were alerted and one of the reporting planes was instructed to circle the area of the reported flash. The pilot reported a short time later spotting no groundfires. A check of the area from the ground also produced no further clues.

Orrtanna

Those with perfect attendance at the Orrtanna Primary School during September were Daniel Gwynn, Victoria Haines, Daniel McDannell, Gregory Monn, Carla Sue Mummert, Monta Naugle, Roger Naugle, Donna Sell, Daniel Wyatt, Thomas Kessel, Kenneth McDannell, Rosetta Naugle, Lois Graff, Donald Haines, Terry Kessel, Helen Naugle, Larry Naugle, Linda Naugle, Lee Naugle, Robert Phelps, Susan Rebert and James Roberts.

HARRISBURG (AP)—Gov. Leader today appointed Thomas C. Gawthrop, Kennett Square, as judge of Chester County Common Pleas Court. He will serve under the appointment until the first Monday of January, 1958.

He replaces Judge W. Butler Windle, who resigned.

CHAMBERSBURG, Pa. (AP)—Brig. Gen. Frederick G. Waite, commanding officer of the Letterkenny Army Ordnance Depot, received orders today transferring him to Washington as assistant chief of ordnance and manpower, effective Nov. 1. He will be succeeded by Col. William F. Rader, deputy commander at Letterkenny, since Feb. 11.

Beef cattle gain an average of 300 pounds during the spring and summer grazing season.

FIREMEN PLAN

(Continued From Page 1)

nozzle, which can operate at two 2½-inch hoses, can be placed anywhere and hurls 1,000 gallons of water per minute up to distances of 150 yards.

The hose also converts the 1,000 gallons of water per minute into

fog when needed. It will be demonstrated from near the center of Lincoln Square Tuesday night and will hurl water east on York St. Because of the extreme range of the "deluge" nozzle and the great amount of water it throws, parking will be banned from most of the first block of York St. Tuesday evening from 7 to 9 o'clock. Burgess William G. Weaver announced.

Practice "Rescue"
Wednesday night the firemen used the ladder truck, stretchers and other equipment to stage a "rescue" from the roof of the Gettysburg High School in preparation for a similar "rescue" demonstration next Tuesday night on Lincoln Square. The firemen plan to remove one of the firemen as

an "injured person" from one of the roofs of buildings on the southeast corner of the square. In addition, use of a number of other items of equipment of the firemen will be demonstrated at the Tuesday night program. Wednesday night a demonstration group of firemen from Letterkenny Ordnance Depot will be in Lincoln Square to give demonstra-

tions of various specialized types of fire fighting in which they are highly trained. "Old Timers" Night
Thursday night will be "Old Timers Night" at Lincoln Square, with retired members of the fire department turning out to help in the display of equipment. A program honoring the "Old Timers" will be held with Judge W. C.

Sheely as speaker. Fire Chief Donald W. McSherry is heading up the committee in charge of the Fire Prevention Week activities.

Shows you the influence of a woman. One of the biggest blows to the whaling industry in the mid-1800's was when the whale-bone corset went out of fashion

Orrtanna
OF TANNA—Mrs. Ethel Donaldson, Chambersburg, spent the weekend with Mr. and Mrs. Floyd King. Mrs. Mabert Dickey, Washington, D. C., spent the weekend with her parents, Mr. and Mrs. C. U. Spence.
Mr. and Mrs. Kermit Wetzel and daughter, Karmel Lynn, spent Monday evening with the former's parents, Mr. and Mrs. Luther W. Wetzel, enroute to their home at Solley, Md., after spending the weekend at their hunting lodge in Tloga County.
Mr. and Mrs. Earl Moritz had as Sunday guests Mrs. Oliver Shindler, decker and Mrs. Ruth Durham, Waynesboro, and Mr. and Mrs. Percy Fitchbaugh and children, Connie and Paula, Red Lion.
Mr. and Mrs. James Donaldson and Miss Carrie Kittinger had as Sunday guests Mrs. Mattie Eichman, sister of Mrs. Donaldson and Miss Kittinger, and Mr. and Mrs. Charles Eichman and children.
Rickey and Susan, all of Lancaster. Mrs. Earl Moritz raised a sweet potato which weighed five pounds. Col. T. H. Allen raised a red beet of the Utz Green Top variety which weighed 8 1/2 pounds. Raymond Pepple has a number of Irish potatoes of the Kathdin variety which weighed more than two pounds. The red beet raised by Col. Allen won first prize at the South Mountain Fair this year.
Mr. and Mrs. C. U. Spence had as Sunday guests Mr. and Mrs. John Eckard and daughter, Mrs. Ruth Wilson and children, of Union Bridge, Md.; Everett Heintzelman, Waynesboro; Mr. and Mrs. Cedric Spence and Mr. and Mrs. David Creage, Mt. Pleasant, Westmoreland County. The Creagers and Spence's also visited Mr. and Mrs. Harman Spence. The Messrs. Spence are cousins.
Mr. and Mrs. Gene Funt have taken up housekeeping in a house trailer on York R. D.
Those with perfect attendance at the Orrtanna Grammar School during September were John Barry Fitz, Edward Gaff, Robert Kessel, Harold Naugle, Shirley Naugle, William Sell, Donna Silik, Sandra Spence, Michael Wyatt, Donna Yohe, Harry Daniel Mann, Donna Lee Mummert, Jesse Thomas Naugle, John Naugle, William Phelps, William Shriner, Linda Staley, Louise Graff, Sandra McClellan, Nancy Naugle and Betty Naugle. Miss Gladys Walter is the teacher.
The following are enrolled in first grade Jan Fultz, Daniel Gwynn, Victoria Haines, Thomas Kauffman, Daniel McDannel, Gregory Monn, Carla Sue Mummert, Monta Naugle, Roger Naugle, Donna Sell and Daniel Wyatt.
The teacher is Sara Miller.

GETTYSBURG COMMUNITY CHEST

LET'S JOIN TOGETHER TO MAKE A BETTER COMMUNITY

Dear Friend:

You can have a hand in so many people's happiness when you give to the Community Chest because . . .

. . . the Gettysburg Community Chest serves so many people.

Have you ever stopped to think that your contribution to the chest is an investment in your community—not a hand-out?

Consider the agencies that receive your gift. They are dedicated to building character . . . acting in an emergency . . . bettering our community . . . plus many other progressive endeavors.

In fact, each and every one of us in the Gettysburg area uses one or more of the Chest's agencies each year.

So won't you consider your gift a little more carefully this year? You can never receive a greater return on any other investment you make.

Thank you,

Gordon J. Webster
Campaign Manager

to the YWCA	77c
to the Boy Scouts	77c
to the Girl Scouts	64c
to the Recreation Association	\$1.54
to the Civic Nurse Association	39c
to the Adams County Free Library	89c

IF YOU DO, YOUR GIFT WILL TOTAL ONLY \$5, YET YOU WILL HELP 6 CHEST AGENCIES FOR A FULL YEAR!

Won't You Consider Your Gift Carefully This Year . . . Give More Than \$5.00 If You Can . . . Because These Larger Gifts Are Needed . . . But Whatever You Do, Try To Give At Least \$5.00. Please Pledge For Six Agencies.

FIREMEN WON
\$1,365 PRIZES
IN '57 PARADES

Forty-seven members were present at the October session of Alpha Fire Company No. 1 on Tuesday evening at the engine house. George E. Hornberger, president, conducted the meeting, which opened with the singing of "America," followed with group prayer.

The final receipts from the annual firemen's carnival and solicitation of funds during 1957 were turned over to the company and totaled \$7,206.56. Total receipts for the evening were \$7,460.69 and this included a donation from D. H. Sharron and Sons for services rendered by the company recently. There was also a report on the 1957 activities of the Uniform Rank of the company, given by Paul E. Altoff, treasurer. This report revealed that the marching unit participated in nine parades, winning eight first prizes; and the Littlestown High School Band, accompanying them, took three first prizes, bringing the total receipts to \$1,365. Expenses for the accompanying organizations totaled \$633.30, leaving a net profit for the season of \$731.70. A contribution of \$250 was voted to the Ladies' Auxiliary for assistance with preparing and serving refreshments at the company's carnival.

Fire Chief Glenn Ohler reported one call since the last meeting, with an approximate loss of \$25. He also announced that a fire school is being conducted at the McSherrytown Fire Hall every Tuesday and will continue for 18 weeks; all interested persons of the company are invited to attend. A report was heard from Harry W. Badders, secretary. Donald Weaver was voted to membership in the company, following approval of the investigating committee and Herman G. Kaler was elected to social membership.

Announce County Meeting
It was announced that the quarterly meeting of the Adams County Firemen's Association will be held on Monday, October 14, at 8 p.m. at Abbotstown, with that company as the host unit. The annual financial statement of the County Association accompanied the announcement and was read to the Alpha firemen. It was announced that there will be a pumping relay demonstration on Sunday, Oct. 5 at Pleasant Hill, and all the fire companies of York and Adams Counties are invited to participate or just witness the demonstration.

Bernard M. Selby reported for the committee appointed to investigate the advantages of having a permanent transformer installed at the playground for use at the company's carnivals. Costs were submitted by the Metropolitan Edison Company and it was learned that it would be financially advantageous to the company to have the permanent transformer installed, and it will be done close to the carnival time next year. The trustees also investigated the possibility of purchasing an alternator system on the Mack and the service trucks; more prices will be obtained before the decision is made on the purchase.

Appoint Committee
There was a discussion concerning the purchase of two walkie-talkies, which can be obtained with the Federal Government paying half the costs. It was voted to purchase the equipment but not until a further check has been made by the following committee, appointed by President Hornberger: Glenn E. Ohler, Clair A. Redding and Bernard G. Kaler.

The president also appointed a nominating committee, consisting of Jay D. Basehoar, George W. Streivig and Monroe J. Staveland, who will present a slate of officers at the next meeting, which will be held on Wednesday, November 6, instead of the first Tuesday, due to the election. There will also be nominations heard from the floor. At the conclusion of the business refreshments were served by the social committee, composed of Howard Myers, Mark Redding and Paul F. Boller Jr., who will also serve on November 6.

WOMAN SLAYER

a Bethlehem police captain. Court was adjourned early yesterday afternoon when it became

clear that the defendant, on trial for murder was showing the strain of her two straight days on the

stand. The 44-year-old Mrs. Kresge, her face drawn and tired, wept as she

testified concerning a tragedy the particulars of which she said she could not remember.

She said her husband, Joseph, gave her a pistol just before he was shot to death in their home in

Bethlehem last July 27, but that her mind was a blank as to what happened right afterward.

In earlier testimony, the defendant said there had been arguments over other women.

BALLOON WITH NO AIR TO BE YANKEE MOON

By ALTON L. BLAKESLEE
AP Science Reporter

WASHINGTON (AP)—A balloon without air will be one of the American moons whirling through space.

Lack of air will prevent it from acting like a jet rocket and going off course if it gets punctured by a meteorite.

Blow up an ordinary balloon, let go of it suddenly by its neck, and you get the idea. Air escaping through the open neck exerts equal pressure on the inside and the balloon goes skittering across the room. That's the jet principle.

Described To IGY Group

This can't happen to our space balloon because there won't be any gas pressure inside it which can rush out after a shooting star punctures it. It won't go pop either.

Details of this hollow balloon moon were described today to a special conference of the International Geophysical Year by William J. O'Sullivan Jr. of the National Advisory Committee for Aeronautics.

The balloon will be made of

PUBLIC SALE

SATURDAY, OCTOBER 12, 1957
1 P.M.

At Mummaburg

The undersigned will offer the following: Heatrola; electric stove; kitchen cabinet; rocking chairs; reclining chair; crocks; dishes; 2 copper kettles; iron kettle; carpet; rugs; flower stands; boys' sled; plow; corn dryer; bird cages and stands; chicken feeder; chick brooder and settee.

ANTIQUES

Corner cupboard; 3 chests; chairs; 6-leg tables; safe; bureau; 4 stands; 2 dough trays; high chair; baby buggy; baby crib; baby cradle; writing desk; quilts; ladies' riding saddle; tables; bed coverlets, made in 1840, like new; bedsteads; old guns; old Army revolver; tomahawks; candle holders; straw baskets; cream crock and many other articles.

MRS. FLORENCE WILSON

Auctioneer: E. Benner
Terms: Cash

ultrathin plastic film and aluminum foil. Compactly folded, it will be fitted into the top of a moon-launching rocket.

To Watch It Perform

Some 300 miles above the earth, the rocket releases a metal moon for studies of magnetism. It also pushes out the folded balloon and trips a little tank to inflate it with compressed nitrogen gas.

For a while, the balloon may follow closely the heavier but smaller metal moon. Then drag or resistance from even the very thin air in space will slow it down.

Careful observations of how much and how quickly it slows down and spirals to earth will give invaluable clues to the density of air 300 to 1,500 miles out in space.

CONTROL BALL IS THREAT TO GRID THRILLS

By FRANK ECK
AP Sports Editor

It hardly seems possible that the collegiate football season will be a dull one.

Where 100 major colleges the involved there are enough sectional and inter-sectional rivalries to keep interest at a high pitch. Off the field there will be the usual stories about illegal recruiting and there will be beefs about the "wrong team" being picked for a bowl game. In the end, it seems, everybody will be trying to latch on to midfield seats for the nearest bowl game.

But if this is to be a dull football season, blame it on the trend.

The trend, say some coaches, will

be toward ball control. That means less of an open game, less forward passing and more amasses at the line and dashes around end.

Sam Boyd, who in his first season as coach of the Baylor Bears last year led them to an 8-2 record, plus a 13-7 Sugar Bowl triumph over unbeaten Tennessee, think the national trend toward more ground play will continue.

Boyd bases his prediction on the fact that there is a dearth of passes in the Southwest Conference once known as the passiest circuit in the country.

Coach Paul Bryant of Texas A&M also believes the Southwest will stick to the ground. He points out that Oklahoma, the national champion, goes in for strong defense and ball control and that new coaches in the Southwest go in for a strong defense with a kicking game.

No Good If Behind

"Ball control is fine," says Michigan State's Duffy Daugherty. "But it's no good if you're behind." Southeastern Conference coaches, on the other hand, believe the defense is gauging up on the ground game and plan to open the attack more.

"We'll spread out more," says Bobby Dodd whose Georgia Tech boys had a 10-1 record last season. "We'll throw a lot more. You can't play conservative football with a weak defense and our defense will be weaker."

Veteran coach Frank Howard of Clemson, whose team made the Orange Bowl on seven victories, warns that "this ball control business" will bring about dull football.

Jim Tatum at North Carolina feels that he will go in for a lot of passing because "we can't move the ball consistently on the ground."

Plan Switches

California, under new coach Pete Elliott, is switching from the T to the split T, possibly with the idea of opening the attack.

Coach Chuck Taylor of Stanford has quarterbacks who can run as well as pass. Thus, if the passing doesn't click he could go in for more running.

Southern California, 8-2 last season, switches from the multi-offense, which is mostly single wing, to straight T under new coach Don

Sheriff's Sale

IN PURSUANCE of a Writ of LEVARI FACIAS issued out of the Court of Common Pleas of Adams County, and to me directed, will be exposed to Public Sale on SATURDAY, the 19th day of OCTOBER, 1957, at 10 o'clock, D.S.T., in the forenoon at the Court House in the Borough of Gettysburg, Adams County, Pa., the following Real Estate, viz.: ALL that tract of land situated in Franklin Township, Adams County, Pennsylvania, bounded and described as follows: On the North by Kuhn Bros. Article Calls Frank Zettle "Busiest Man In The County"

Adams County Farm Agent Frank S. Zettle is termed "The Busiest Man in the County" in the lead article appearing in the fall issue of "Ford Farming," nationally distributed magazine of the tractor and implement division of the Ford Motor Co., Birmingham, Mich.

Written by Ben T. Logan, the article is illustrated by a color picture of Zettle discussing farm problems with President Dwight D. Eisenhower, pictures of Zettle with Howard D. and Paul Waybright, Gettysburg R. I. and Paul G. Pitzer, Biglerville R. D., plus a picture of County Agent Zettle with his family, Mrs. Zettle and their two

FRANK S. ZETTLE

Clark. "Nothing fancy," says Clark in his first year as head coach which in a manner of speaking could mean very little passing.

Oklahoma, Michigan State, Texas A&M, Tennessee and Navy appear to have the credentials as powerhouse teams. They probably can ground out yardage on running plays so the coaches who predict less passing may have something. Winners can get to the end zone without passing and it looks like the weaker sisters will be the teams that take to the aerial game.

Subheading for the article is "He and His Worthy Assistants Light the Way of Progress for 2,600

Farms, including the President's."

Need Some Medals The article opens by noting: "He works long hours, drives all kinds of roads and has to be a modern jack-of-all trades agricultural expert. He goes night and day. And a lot of people figure there should be some kind of medal, not just for him, but also for his wife, who doesn't get to see him as often as most wives like to see their husbands."

"He is a county agent." "In this case he is Frank Zettle of Adams County, Pennsylvania, a tall, lean and earnest man of 34. And he is, one farmer says, 'just about the busiest man in Adams County.'"

The author of the article terms Zettle typical of the thousands of county agents throughout the United States: "He must keep up on everything new in the science of farming, evaluate the new things for his own area, and then serve as an advisor on just about every agricultural subject under the sun."

Logan terms the county agent's work a "serious and almost disturbingly responsible job. Though he makes no decisions for farmers, he is in the position of suggesting new ideas to men who can't afford to try something that might not work, yet can't afford not to try something that will solve a problem and increase their profit."

and his assistants in the county in serving the 2,600 farms here which range from fruit farming through dairy and poultry to general farming. He also outlines the extensive 4-H club work of the county, soil testing, DHIA and similar farm programs, preparation of the spray letters sent out regularly by the office plus writing columns for The Gettysburg Times, radio talks and answering some 1,000 farm calls a year.

Might Have Been Doctor

The article tells how grasslands farming suggested by Zettle helped Howard and Paul Waybright increase their dairy herd, by increasing hay and pasture production, and tells about the Eisenhower farm, where a grassland farming program has also been put into operation.

Logan quotes Zettle as having originally planned to study medicine but changed to agriculture while overseas with the armed forces where "I learned just how important food is to the world."

Do vitamins stay potent?

Vitamins come lots of ways—powders, liquids, some in pills, some in capsules. Some must be refrigerated to maintain full strength. Some have limited storage life. Others should not be mixed until just before taking. And so on.

We bring all this to your attention because "vitamin preparations" are being sold all kinds of ways these days. You hear offers on the air. You see offers in print. You even find salesmen ringing your doorbell.

For reasons mentioned above, the proper place to obtain vitamin preparations is your registered pharmacy where professional knowledge assures your getting full vitamin value.

GROMYKO AND DULLES MEET ON SATURDAY

By JOHN M. HIGHTOWER
WASHINGTON (AP)—Secretary of State Dulles will meet with Soviet Foreign Minister Andrei Gromyko here Saturday for a far-ranging discussion of world affairs.

Disarmament may provide one subject, but the talks are expected to focus primarily on the tense situation in the Middle East.

Dulles may take the opportunity to tell the top Soviet diplomat directly and forcefully that the United States intends to do everything possible to prevent the spread of Soviet power and influence in the Middle East.

Announced Yesterday
He also is expected to urge the Soviet leadership that big power negotiations on disarmament be continued.

Disarmament talks broke down in London in September, but discussion was switched to the U.N. General Assembly. The Western nations hope it can be resumed next year.

Announcement of the Dulles-Gromyko meeting, made by the State Department late yesterday, comes at a time when Dulles' plans for dealing with the Soviet expansion in the Middle East, through the United Nations and through friendly Arab states, appear to be in trouble.

No New Proposals
The trouble arises from the fact Saudi Arabia, itself anti-Communist and very friendly to this country, has split with the United States on several vital points of policy.

With respect to the Dulles meeting with Gromyko, State Department officials declared that Dulles has no new proposals to put forward and does not contemplate any change in United States policy on any of the questions which may arise.

What he hopes to do, it was said, is make clear to Gromyko the firmness of the United States

Travels 800 Miles On Scooter At 70

CHATTANOOGA, Tenn. (AP)—When Robert A. Shurtler Sr. started from Chattanooga Sept. 10 on a motor scooter for Atlantic City, he vowed nothing would prevent him from completing the trip in time for the American Legion convention parade.

Five days later, he arrived in the New Jersey city, one day ahead of schedule. Behind him were 800 miles, three wrecks, a fractured foot, wrenched neck muscles and assorted bruises.

Shurtler made the return trip on his scooter in three days. The trip cost him only \$9 for gasoline.

"If I had been an old man, I couldn't have taken the knocks," he said.

He is 70.

Great-Grandfather Weds Again At 76

HERNANDO, Miss. (AP)—A 76-year-old great-grandfather from Missouri married his 14-year-old sweetheart here yesterday.

The bride, the former Mary Lou Lawson of Zelma, Mo., felt it would be a happy union. "I would rather be an old man's darling than a young man's slave," she said.

Her new husband, John G. Tatro of Sturdivant, Mo., beamed. He said he has nine children, six grandchildren and three great-grandchildren but had been a lonely man since his first wife died last December.

Spoiled Reception Nets \$25,000 Suit

LOS ANGELES (AP)—A bride is suing a catering firm for \$25,000 damages because the cake and other food didn't arrive at her wedding reception.

Mrs. Joanne Gilden's breach-of-contract suit taken under consideration by a judge says this made her wedding day one of "tears and unhappiness... shame and humiliation."

It says 55 guests assembled at Beth Zion Temple last June 1, when she and Raymond Gilden were married, had only champagne and after-dinner mints. Caterers Alfred and Leonard Marks finally were located at a boxing match, the complaint adds.

Aged Carpenter Is Asphyxiated

HAZLETON, Pa. (AP)—A 65-year-old retired carpenter died of asphyxiation shortly after furniture in his home caught fire here last night.

The victim, Jonathan Ackerman, who lived alone, died enroute to Hazleton State Hospital.

Neighbors who saw the smoke called firemen who found Ackerman sitting behind a stove in the kitchen of the home. A chair and a cot were the only items burned.

Fire Chief Paul Ziegler said the chair apparently was ignited by a cigarette Ackerman was smoking.

stand on various issues and to learn from Gromyko whatever he is able to say about Soviet policies and intentions.

Sheriff's Sale

IN PURSUANCE of a Writ of Fieri Facias issued out of the Court of Common Pleas of Adams County, and to me directed, will be exposed to Public Sale on SATURDAY, the 19th day of October, 1957, at 10:15 o'clock, D.S.T., in the forenoon at the Court House in the Borough of Gettysburg, Adams County, Pa., the following Real Estate, viz: ALL that tract of land situate, lying and being in Mendenhall Township, Adams County, Pennsylvania, bounded and described as follows:

BEGINNING at a stone in a public road; thence by land now or formerly of John H. Miller North thirteen and three-fourths (13 3/4) degrees West, eighty-two and five-tenths (82 1/2) perches to a stone; thence by lands now or formerly of William Hayberger North seventy-four and one-half (74 1/2) degrees East, fifteen (15) perches to a stone; thence by same North seven and one-half (7 1/2) degrees East, fifty-nine and four-tenths (59 4/10) perches to a stone; thence North eighty-four and one-fourth (84 1/4) degrees West, fourteen (14) perches to a stone; thence by lands now or formerly of Elmer Miller North seven (7) degrees East, fifty-seven (57) perches to a stone; thence by land now or formerly of Jonas Stahler South eighty (80) degrees East, twelve (12) perches to a stone; thence by same and land now or formerly of Eli Guise South forty-nine (49) degrees East, sixty-nine and five-tenths (69 5/10) perches to a pin stump; thence by land now or formerly of Abraham Guise South three and half (3 1/2) degrees West, fifty-four and five-tenths (54 5/10) perches to a chestnut; thence South fifty-four (54) degrees East, thirty-four and four-tenths (34 4/10) perches to a stone; thence by lands now or formerly of Elmer Miller South thirteen and three-fourths (13 3/4) degrees West, thirty-one (31) perches to a stone in a public road; thence along said public road North sixty-seven and three-fourths (67 3/4) degrees West, four and seven-tenths (4 7/10) perches to a stone in said road; thence in or along said public road South fifty-eight and three-fourths (58 3/4) degrees West, fifty-five and eight-tenths (55 8/10) perches to a stone in said road; thence in or along same South forty-eight and three-fourths (48 3/4) degrees West, thirty-five and six-tenths (35 6/10) perches to the place of BEGINNING, CONTAINING seventy-two (72) Acres and two (2) perches, more or less.

Being the same tract of land which Bobby H. McElwee and Isabelle F. McElwee, husband and wife, by their deed dated the 22nd day of July, 1949, which deed is recorded in the office of the Recorder of Deeds of Adams County, Pennsylvania, in Deed Book Vol. 188 at Page 147, sold and conveyed their one-third (1/3) interest unto Charles H. Ankney and Violet F. Ankney, husband and wife, and Carl F. Ankney, single, and the said Charles H. Ankney having died on the 31st day of December, 1951, the same became vested in Violet F. Ankney, widow, and Carl F. Ankney, single.

Subject to the same reservations as contained in Deed Book Vol. 64, at Page 544. Improved with 2 1/2-story frame house, 6 rooms and bath, barn and outbuildings. Seized and taken into execution as the property of Violet F. Ankney, widow, and Carl F. Ankney, single, and to be sold by me.

DORSEY J. SCHULTZ, Sheriff
Gettysburg, Pa.
Sept. 19, 1957.

Ten per cent of the purchase price in cash is payable immediately after the sale and the balance of the purchase price, plus making, docketing and recording of deed, is payable in cash five days prior to the return day of the writ of execution; if conditions are not complied with the property will be resold and the defaulting purchaser will be liable for the deficiency, if any.

MINISTER POSES QUERY; INMATES REVEAL ANSWER

THE ASSOCIATED PRESS
Officials of the Henric County, Va., jail may turn to censoring sermons delivered at Sunday services for inmates.

A minister recently chose the subject: "How shall we escape?" That night, seven prisoners showed him.

There are times when the criminal mind is difficult to follow. A burglar trapped in a Vancouver, B. C., building told police he was so "cold and hungry" he didn't even take time to note what building he was in.

He should have. A man in uniform sold Charles N. Cooper of Baltimore a ticket to the policeman's ball and signed the name "Outlaw" to the receipt.

He sure was. There's no officer Outlaw on the Baltimore police force and, besides, the ticket was a fake.

Atlantic City, N. J., police arrested Vernell Martin, 34, inside a closed jewelry store with 37 watches and 25 cigarette lighters in his pockets and a well-tapped jug by his side.

Officers said Martin broke into the store, made his haul, had a few drinks by way of celebration and fell asleep.

Police were summoned by a couple who live above the jewelry firm. They said they heard strange noises in the store—Martin talking in his sleep.

Politicians have been riding a bumpy road lately. Sac County, Iowa, Republican Chairman Leslie T. Freeze spanked one of his twin sons and the aggrieved youngster was overheard telling his brother:

"I'll fix him. When I get to be 21, I'll vote Democratic."

And, in Huntington, W. Va., the Marshall College Forum asked for suggestions on how to boost interest in its annual discussion series.

One recommendation: "That no more senators be scheduled for debates."

In Stroudsburg, Pa., they swear

Camera News

By IRVING DESFOR
The Associated Press
The views of a magazine photographer only recently removed from amateur ranks should interest other camera fans. He has definite feelings about the urge to become a photographer, present day photo schools and the "pleasures" of traveling on a roving assignment.

Meet Ted Castle. He is in his thirties, slimly built and seemingly relaxed in nature. . . quite unlike the many type generally pictured in movies and television as a magazine photographer. He has just returned from a 28,000 mile jaunt through Europe, the Mediterranean and Africa with 11,000 negatives in black-and-white and 42 rolls in color, all 35mm. His picture stories of the King of Uganda, a Kenya safari, a South African gold mine, a whale hunt near Durban and a Spanish bullfight, among others, will be presented in upcoming issues of "Panorama," a slick magazine published by a soft drink company and mailed to 77 countries.

Feeling Strong
"The feeling to be a photographer must be pretty strong," Ted said. "In my case, I was a mechanical engineer before the Army claimed me. As a tank gunner in the Pacific area, I found I was doing more accurate shooting with my personal camera than with my tank gun. By the time the war ended I had decided that photography was the profession for me."

"I was also aware that I had to learn the fundamentals so I enrolled in a photography school on the West coast. It was wonderful basic training but from subsequent encounters with schools elsewhere I'd like to pass on a warning."

"Beware of those schools which set up the lights and subject and have one camera in a fixed position. Then they have each student coming over with his individual slide to 'take a picture.' That isn't teaching photography."

this exchange actually happened: Second floor tenant: "If you don't stop playing that blasted saxophone, I'll go crazy."

First floor tenant: "It's too late. I stopped an hour ago."

MAN LONELIEST WEATHER POST IN MOUNTAINS

KILDALA PASS, British Columbia (AP)—Up here where winds can blow 120 m.p.h. and grizzlies and wolverines keep you company, three hardy youngsters man one of the loneliest outposts in North America.

They operate a weather station 5,300 feet high in the snowy Coast Range Mountains and keep an eye on the 300,000-volt transmission line of the Aluminum Co. of Canada, Ltd. The line carries electricity from a powerhouse at Kemano, B. C., 50 miles north to Kitimat, where a smelter turns out aluminum ingots.

Mostly, the job at the weather station consists of taking regular readings on wind, cloud cover, humidity, visibility and temperature — and fighting off boredom and "cabin fever." But things can get lively.

Bruce Leyland, a college student

camera settings or technical details. That has been figured out beforehand, generally by reading the light meter and adjusting the speed and lens settings first. Any further adjustments are minor and depending on a bit more or a bit less light.

He had this thought for camera fans who dream of a career but think it's an easy life: "The pleasantest part of photography is when you do it for fun." Maybe we ought to retain our amateur standing and continue to have fun.

MAN LONELIEST WEATHER POST IN MOUNTAINS

KILDALA PASS, British Columbia (AP)—Up here where winds can blow 120 m.p.h. and grizzlies and wolverines keep you company, three hardy youngsters man one of the loneliest outposts in North America.

They operate a weather station 5,300 feet high in the snowy Coast Range Mountains and keep an eye on the 300,000-volt transmission line of the Aluminum Co. of Canada, Ltd. The line carries electricity from a powerhouse at Kemano, B. C., 50 miles north to Kitimat, where a smelter turns out aluminum ingots.

Mostly, the job at the weather station consists of taking regular readings on wind, cloud cover, humidity, visibility and temperature — and fighting off boredom and "cabin fever." But things can get lively.

Bruce Leyland, a college student

camera settings or technical details. That has been figured out beforehand, generally by reading the light meter and adjusting the speed and lens settings first. Any further adjustments are minor and depending on a bit more or a bit less light.

He had this thought for camera fans who dream of a career but think it's an easy life: "The pleasantest part of photography is when you do it for fun." Maybe we ought to retain our amateur standing and continue to have fun.

from Leithbridge, Alberta, recalls the time he and Glenn McCourt spotted grizzlies eating their meat supply.

"The meat was in a box, tied with rope, weighed with 12 x 12 timbers, and buried in the ground, Leyland says. "But the bears got the box out and were smashing it against the house. The noise woke us up."

"Glenn and I took some shots with our 30-06 rifle to scare them away — but they didn't scare. They chased us toward the ramp that leads into the weather station."

"Glenn was ahead of me as we roared up the ramp. He got inside and closed the door in my face! I managed to get it open, though, and slammed it in front of the bear. He took a swipe at the door as it closed. The claw marks are still there."

Alcan first sent a weather crew to Kildala Pass in the winter of 1950-51, when the transmission line was being designed.

Long Winter
During the long winter months, the only link to the outside is the 2½ watt FM radio and the helicopters from Kemano. They make occa-

sional visits to bring in fresh milk and meat and carry personnel and equipment in or out.

Arne Sabbe, who now works at Kemano, recalls the winter of 1954-55 at the weather station. "We had an average of 20 feet of snow and the drifts were 50 feet deep in the hollows," he remembers. "The wind got up to 120 m.p.h. — the highest ever recorded there. It lasted all night, and the wind blew so hard it tore the cups off the anemometer. The temperature in the house sank to 30 degrees."

November To May
The normal winter crew of three goes up from Kemano to the high station in November. It stays on duty until about mid-May, when the summer crew — usually two men — takes over. The company figures that during the summer, when a man can ski or fly down to civilization at Kemano, a two-man crew is enough. But during the winter months, when the station is isolated, it's better to have three on duty.

NATALIE NEAR STARRY GOAL AT SWEET 16

By VIVIAN BROWN
The Associated Press

At 16, Natalie Trundy knows what she wants.

She wants to be a big star. Not just another actress. She explains: "If you want something bad enough, go after it. Work hard, and your dreams will come true."

Lovely, talented blonde, blue-eyed and 5 ft. 4 Natalie almost has proved her point even at this budding age.

At 9 she convinced her "proper Bostonian parents" transplanted to New York, that she should take dancing lessons even though they said "no, no," over and over again.

A crisis occurred just before the school's big talent show and she convinced the teacher, an ex-Rockette, that she could replace the star and sing "Oh, you Beautiful Doll." Her parents were aghast, because she'd never even heard the song.

On TV Show

The morning after her success she was invited to appear on a TV talent show. "Little Red Riding Hood," and played Lincoln's daughter on the "Hallmark Hall of Fame." She starred in many TV shows before becoming one of the "top size 10 models in the country" with agent Harry Conover.

At 13 she tackled Broadway even though when she applied for a part, she was told to "go away, you're too young." She says: "All I did was put on my frame, put on high heels and act older to get the role."

At 14 she was in a musical,

Stamp News

By SYD KRONISH
The Associated Press

The origin of stamp designs always intrigues inveterate collectors as well as those just becoming interested in the hobby.

Take the recently issued U. S. 3-cent polio stamp depicting a woman, two children and a shield decorated with the medical symbol — the caduceus. This design was copied directly from one side

"The Beautiful Sea," and at 15 (although she was supposed to be 22) she played with Marlene Dietrich in "Unleash the Artist's 'The Monte Carlo Story,' a picture made in Rome, and became famous when Marlene refused to pose with her—hitting her in the face with her gloves. Says Natalie:

No Nasty Things

"The stories made it sound worse than it was. I don't know why she hit me with the gloves, but I didn't say the nasty things about her that people claimed I said."

Now she is off to Hollywood to play the lead in her first American movie, "The Careless Years" (a Kirk Douglas production).

Natalie's mother is Irish, her father Italian. She was born Natalie Trundy Campagna. She has a mass of freckles that add piquant charm to a face that closely resembles Grace Kelly's. She likes the "washed-face," wears makeup only in the evening, sleeps about 10 hours for a "bright-eyed look."

Natalie doesn't have a steady beau, and doesn't want one.

"At my age," she says, "I still do not know enough about life to love anyone the way I should."

She goes to professional children's school, but wants to go to a girl's finishing school later.

of the medal which Congress presented to Dr. Jonas E. Salk for discovering his anti-polio vaccine.

The design was recommended to the Post Office Department by the National Assn. for Infantile Paralysis which was organized in 1938. Gilroy Roberts prepared the design for engraving.

Malta Set

Malta has issued a new definitive set showing pictorial designs. Some of the adhesives will depict: a monument of the Great Siege of 1565, Victory Church, War Memorial, Mosta Dome, King's Scroll, Roosevelt's Scroll, Baptism of Christ, Queen Elizabeth, the Maltese Cross and the George Cross.

To help promote its export trade, Japan has issued a new 10 yen stamp depicting a passenger ship, the Nissho Maru, plus a vacuum tube and a cog-wheel. Written in English across the top of the stamps are the words: "Japan Machinery Floating Fair."

Several gifts to be incorporated into the National Postage Stamp Collection have been presented to the Smithsonian Institution in Washington, D. C.

H. B. Hofman Jr. of New York has given original drawings for Ecuadorian stamps, and French pre-stamp covers. In recent years Hofman has also donated collections of the Transvaal, Spain, and Austro-Hungarian revenues.

John P. V. Heinmuller, former president of the American Air Mail Society, has given his fine collection of 19th century European stamps.

Sol Glass, philatelic observer to the United Nations, donated his collections of French autographed die proofs.

To commemorate the centenary of its first postage stamp, Uruguay has issued three new airmails, reports the New York Stamp Co. The 20 centavos green and beige, 31 c blue and brown, and 36 c

pink and white depict a mail delivery coach of a century ago. In the upper left corner is a miniature of the first Uruguayan stamp.

French Tunisia has issued six new stamps for its Fourth International Fair. The 12 francs violet shows a bunch of grapes. The 15 fr green depicts an olive branch. The 18 fr red illustrates harvesting. The 20 fr brown red pictures a vendor. The 25 fr bistre and 30 fr blue show a street fruit market.

Word from Venezuelan postal authorities tells of four upcoming issues — modern construction, a book fair, a hotel at Caracas and the 125th anniversary of the death of Simon Bolivar, liberator of Latin America. The Bolivar set also will honor the 150th anniversary of his Sacred Mount oath. Included are regulars and airmails.

The Book Fair set will have eight stamps for regular mail and seven airmails. The 5 cent airmail has just been issued.

ATLANTIC CITY, N. J. — Jack E. McAuliffe, of New Brunswick, N. J., former amateur golf champion and sponsor of the women's Round Robin golf tournament each summer, has five horses on the grounds here. They are Emerald Prince, Tommy Griffin, Mixed-foresome, Lodestone and Mustherite. They are trained by the veteran Glenn Felkner.

HOT WEATHER SUPPER
Try this way with potato salad!
Assorted Cold Cuts
Old-fashioned Potato Salad
Sliced Tomatoes with Basil
Bread Tray

Melon Beverage
OLD-FASHIONED
POTATO SALAD

Ingredients: 2 pounds potatoes, 1 cup diced celery, old-fashioned cooked dressing, 1 small leek, salt, pepper.

Method: Cook potatoes in their jackets in boiling salted water to cover until tender; peel and dice. Mix with celery and enough old-fashioned cooked dressing to moisten well. Clean leek and cut away green part; mince remaining leek and add to salad with salt and pepper to taste; chill. Makes 6 servings.

Note: To prepare old-fashioned cooked dressing stir 1/2 teaspoon salt, a dash of white pepper, 1 teaspoon dry mustard, 2 tablespoons sugar, and 1 tablespoon flour together. Beat large egg with 3/4 cup milk until combined; stir slowly into to dry ingredients, beating out

lumps. Gradually stir in 5 tablespoons cider vinegar. Cook and stir constantly over very hot (but not boiling) water until thickened—10 minutes or more. Stir in 2 tablespoons butter or margarine. Cover and cool; refrigerate in tightly covered jar until ready to use. Makes about 1 1/2 cups.

WEEKDAY LUNCH
Easy and quick to prepare.
Jellied Maitlrene
Salmon and Asparagus Broil
Crisp Green Salad

Cookies Beverage
SALMON AND ASPARAGUS
BROIL

Ingredients: 2 tablespoons butter or margarine, 2 tablespoons flour, 1/4 teaspoon salt, 1 cup milk, 1 cup (3/4 pound) grated cheddar cheese, toast triangles, 1 can (14 1/2 ounces) asparagus stalks (drained), 1 can (6 1/2 ounces) salmon (drained and flaked).

Method: Melt butter in 1-quart saucepan over low heat; stir in flour and salt. Add milk all at once; cook and stir constantly over moderately low heat until thickened and

bubbly. Remove from heat; add cheese and stir until melted; return to low heat stirring constantly if necessary to melt cheese completely. Arrange toast triangles in bottom of buttered baking pan (8 by 8 by 2 inches). Arrange asparagus over top. Top with salmon and cheese sauce. Broil 4 or 5 inches from the source of heat for 5 to 6 minutes or until thoroughly heated. Makes 4 servings.

PORCH PARTY
A festive cold drink.

Cream Cheese and Cucumber Sandwiches
Black and Green Olives
Assorted Nuts

Tiny Frosted Cupcakes
Three-Fruit Punch

Ingredients: 1 can (6 ounces) frozen concentrated orange juice, 1 can (6 ounces) frozen concentrated unsweetened grapefruit juice, 1 can (1 pint and 2 fluid ounces) unsweetened pineapple juice, 3 cups water, maraschino cherries, thin half slices of fresh orange, mint sprigs.

Method: Empty frozen orange juice, frozen grapefruit juice and canned pineapple juice into a container; and add water and stir until combined; chill. Serve in tall glasses over ice cubes; garnish with cherries, orange slices and mint. Makes 8 servings.

ADVERTISE IN THE TIMES

Duren Hailed As Future Relief Ace

DENVER, Colo. — Manager Ralph Houk, of the Denver Bears, believes his star pitcher, Ryne Duren, could be one of the best relief pitchers in New York Yankee history. The Bears are a Yankee farm club.

Houk compares Duren with Joe Page, a former Yankee bullpen great.

"Ryne is the best pitcher we have had in three years of Triple A ball here," Houk says. "Yes even better than Don Larsen, I believe."

Larsen, now with the Yankees, hurled the only perfect game in World Series history against Brooklyn in 1956. Duren won 11 of his first 13 decisions this year, walked only 28, struck out 93 and posted an earned run average of 2.10 in 92 innings on the mound.

TUCSON, Ariz. — R. S. Svob, director of intramural athletics at the University of Arizona, holds some sort of a record in punting. While playing in a high school football game at Jerome, high in the northern Arizona mountains one of his punts bounced off the field and rolled crazily down the mountain. The pigskin was found near Clarkdale, six miles downhill.

STROEHMANN'S SUNBEAM BREAD

Sen. Knowland Expected To Announce For Governor Of California Sometime Today

SACRAMENTO, Calif. (AP) — Sen. William F. Knowland gives his decision at a news conference today on running for governor of California next year in an election with overtones of the 1960 Republican presidential race.

Everyone guessed he'd battle Gov. Goodwin J. Knight for the Republican gubernatorial nomination in the June 3 primary. He has just completed a six-week grass roots tour of the state.

President Eisenhower's name was brought into the campaign yesterday when Knowland released a "Dear Bill" letter praising the Californian for "stalwart leadership" of the Republican minority during the last session of Congress.

Knowland offered the letter, dated Sept. 11, in answer to Knight's assertion that "it is generally known throughout the country that the senator on many occasions has opposed the President, particularly in the field of foreign relations."

Knowland, who has differed with the administration notably on China policy, told a Vallejo news conference that figures compiled in Washington show he voted 93 per cent in support of the President. He accused Knight of trying to create a false issue.

The governor also viewed his prospective contest with Knowland as a showdown between the reactionary and progressive wings of the party.

Atty. Gen. Edmund G. Brown, only Democrat holding statewide office, has all but agreed to be his party's gubernatorial candidate. The Democrats have elected only one governor in 64 years — in 1938.

All the early maneuvering looks ahead to a primary that will eliminate one of the three principals involved in a continuing struggle for state GOP control.

The third Republican figure is Vice President Nixon, and at stake is the second largest vote of the California delegation at the party's 1960 nomination convention.

Knowland, first appointed to the Senate in 1945 by former Gov. Earl Warren, has said "I have made no deal" or reached any understanding with Nixon based on any support in the state race. Knight indicated, in announcing 19, that Knowland's supposed

presidential ambitions would be a key issue in his campaign. Obviously beamed at Knowland, he spoke out against using the state office as a pawn in the maneuvering for the White House.

"The record shows," Knowland replied, "I have never used any public office as a pawn."

WILSON HOLDS LAST SESSION WITH REPORTERS

WASHINGTON (AP) — Charles E. Wilson goes back to private life a happy man, hating nobody and satisfied he has helped make his country stronger.

The former General Motors head steps out as secretary of defense next week. He held a farewell news conference yesterday and — well, it would be safe to say he was in top form: half hard-headed businessman, half pixie. It's a combination Washington long ago learned to love and respect.

"I have," said Wilson at the outset, "a special guest today." He indicated a gray-haired woman in a chic polka-dot outfit with a black hat. "That's Jessie," said the secretary of defense, by way of introducing his wife. Then he added, somewhat apprehensively: "I didn't quite get a commitment from Mrs. Wilson that she wouldn't ask any questions."

She did ask one, as it developed. She answered a couple too. Charlie Wilson had a costar in his last appearance before the capital press corps, and they both enjoyed themselves hugely.

Mostly, the questions and answers were serious — about such things as missiles and military spending. But Wilson, as always, was willing to talk about almost anything — from segregation to goony birds.

Segregation? "I went to school about 60 years ago with a little colored boy," he said reflectively, "and it didn't hurt me any. . . I do remember he wasn't the dumbest boy in the class."

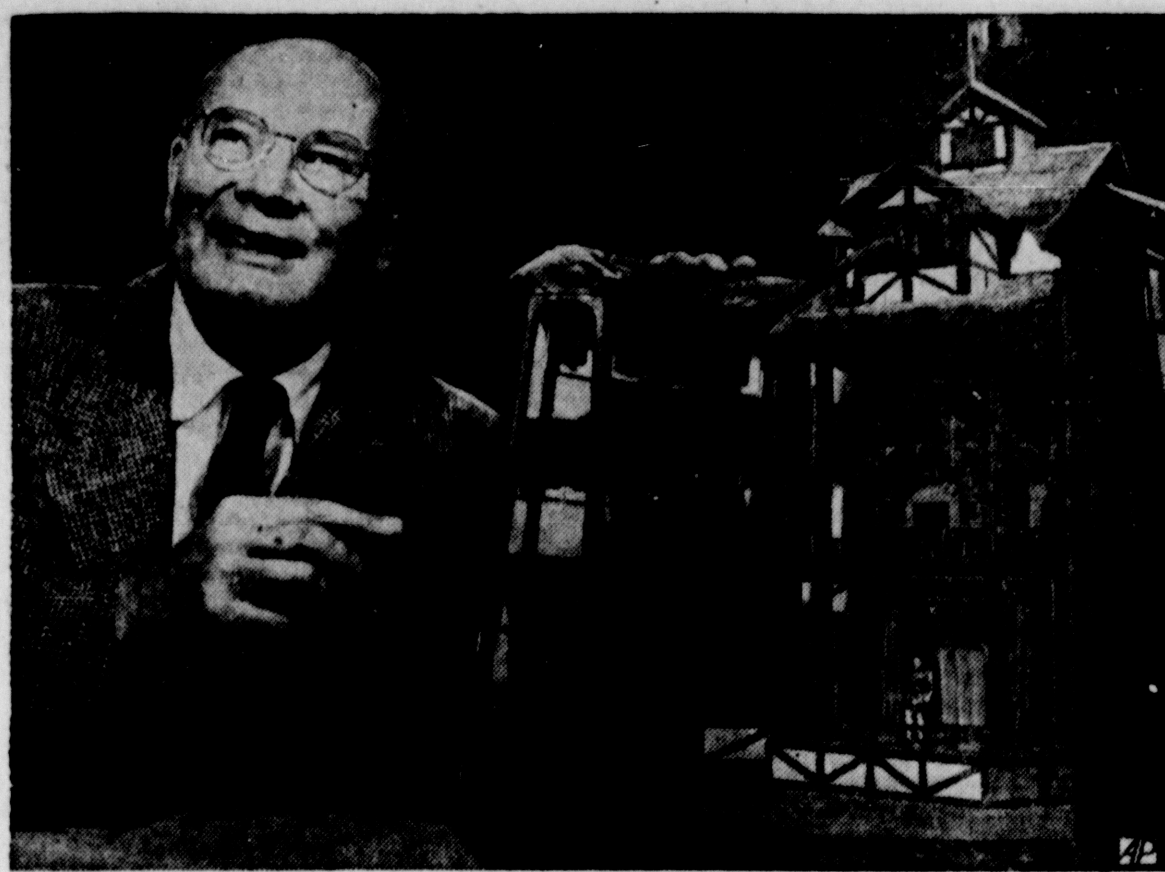

"Who was?" a newsman inquired.

Wilson joined in the laughter but declined the implied nomination.

"Mr. Wilson," another voice piped up, "have you ever used the goony bird story on these people?"

That was Mrs. Wilson. She won fame on her own hook in Washington by chiding President Eisenhower when the President seemed to be rapping her husband gently on the knuckles some months ago. She was just as irrepressible yesterday. Her husband grinned fondly.

Kind of a family joke, he explained. After he got back from Korea with President-elect Eisenhower in 1952 he was asked all sorts of questions he didn't want to answer. His stock technique

LECTURE AIDE — Dr. Frank Baxter, English professor and TV personality, displays model he built of the Globe Theater where many of Shakespeare's plays were first performed.

was to start talking about the goony birds he saw at Midway Island, and the crazy flying dance they do.

"I'll admit," Wilson added,

"that at times I've dodged (reporters') questions and talked about something else. That's the goony bird treatment."

He said he thought the nation's

defenses were in better shape than when he took over. He said he's leaving town with hatred for no one: "If I have any enemies it's their choosing—not mine."
